

# Saints and Hermitages between Abruzzo and Rome

*A journey through abbeys, hermitages, and relics in the Abruzzo Apennines and in Rome, following in the footsteps of saints and visionary monks.*

An intimate and spiritual journey through places that have preserved faith for centuries. In Abruzzo, the **hermitages of the Majella** and the Basilica of **Collemaggio in L'Aquila** reveal the soul of Celestine V, the hermit pope. In **Lanciano** and **Ortona**, devotion intertwines with miracles and relics, while in Molise the silence of the monasteries evokes archaic emotions. In **Subiaco**, the heart of Benedictine monasticism, prayer becomes history, leading to **Rome**, where the catacombs, the great basilicas, and the majesty of St. Peter's take you back to the very roots of Christianity.
