

KEEP YOUR HEART OPEN!

BIOPONT LTD.

By offering products made of **CERTIFIED ORGANIC** ingredients and fulfilling the **INTERNATIONAL FOOD STANDARD** requirements we do our best to contribute to a healthier life in a sustainable environment.

WE ARE MORE THAN 26!

Company was founded in 1997

To meet customers' requirements:

- we rely on our **26 years expertise**,
- we invested in a new **4000 m² production plant**,
- our production is meeting the requirements of **IFS**
- our organic products are certified (**HU-ÖKO-01**),
- part of the raw materials come from our own **3000 ha territory**,
- new recipes and private label packaging solutions are managed by our Development Team.

HU-ÖKO-01

KEEP YOUR HEART OPEN!

THEN AND NOW

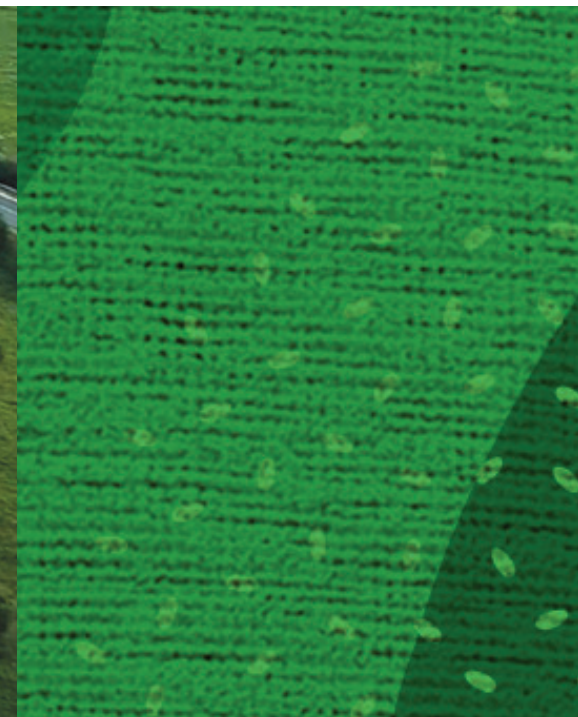

Our company is celebrating its 26th birthday this year. We decided that it is time to refresh our image and as part of this plan, the logo will also be changed. The first product with new logo was already produced and step-by-step all our products will change to the new logo.

BIOPONT LTD.

The production plant in Ercsi, near Budapest, became in 2019 a 100% gluten free plant.

Next to our gluten free production site we also operate a mill, milling organic gluten free corn grits and gluten free corn flour.

ORGANIC EXTRUDED SNACKS

Distributors can choose from a large variety of **“Biopont” branded products**: gluten-free extruded snacks and sticks, flours, cereals, sunflower oil, sweeteners, juices, coconut bars, etc.

For those looking for innovative, new products for their **private label** brand, we offer a large variety of products and packaging solutions produced in our factory near Budapest: salty and sweet snacks, gluten free snacks, packaged raw materials, etc.

We offer food producers **raw materials** from our own organic fields, processed in our mills: gluten-free corn grits and corn flour, wheat flours, spelt flours. Sunflower oil, cereals, sweeteners are also available in bulk packaging.

Biopont AT A GLANCE

Number of employees Biopont Kft. : 61

INVESTMENTS

- 2022-2023** 100kVA solar park
- 2021-2022** Automatic carton folding and closing machine and palletizing robot on the extruded products line

LENTIL SNACKS

With the aim to create a healthier snack we created the extruded lentil flips. The onion & pepper perfectly harmonizes with lentil's characteristic flavor.

Lentil is high in protein. By adding corn to lentil we reached a pleasant texture.

For private label custommade flavors can be ordered: BBQ, sea salt & vinegar, paprika, chilli, etc.

EAN	Product name	Net weight	Shelf life
5998858706814	Lentil flips, lightly salted	60 g	10 months
5998858706821	Lentil flips, onion&pepper	60 g	10 months

SUNFLOWER OIL

EAN	Product name	Net weight	Shelf life
5998858702403	Cold pressed sunflower oil	1 l	18 months

High oleic sunflower oil, can be heated even to high temperatures (approx. 200°C), therefore it can be used for traditional and deep fryer cooking, and can also be used for making pasta meals and salads. Not deodorised, therefore it has a pleasant sunflower seed taste and odour.
