DFDS Special Cargo What we offer

Pan-European service focussed on your industry

Construction

We understand how vital special cargo is to construction, and we understand how to get your materials to you as quickly as possible. Whether it is bulk, fragile, or heavy goods we have a solution for it all.

Events

From mobile fencing to temporary seating, we have the equipment and expertise to ensure you have everything you need for any kind of event.

Machinery

Machinery varies from industry to industry, but no matter what it's made for, we have the capacity to transport any heavy goods with speed and security.

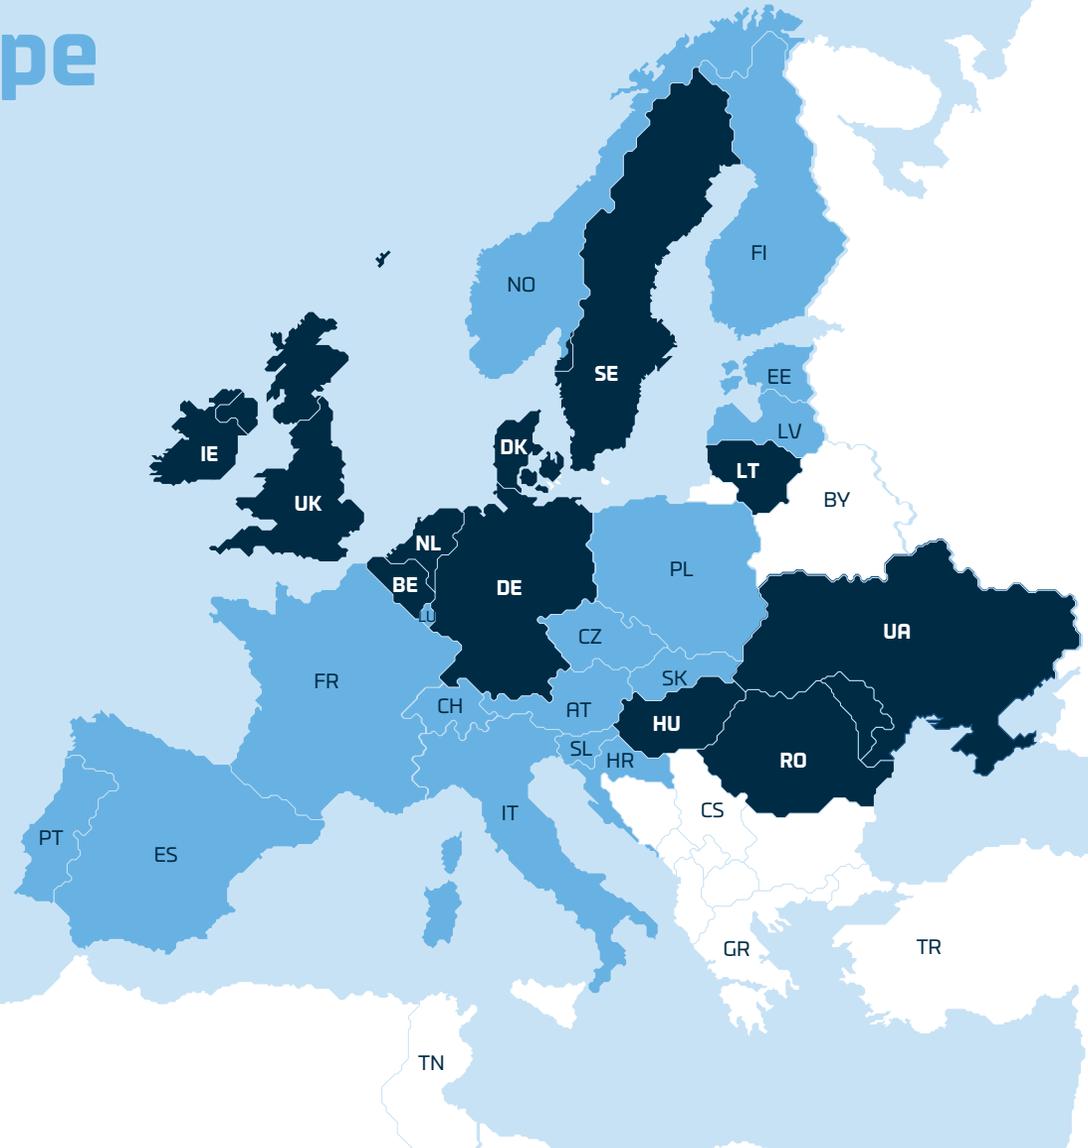

Ship your goods anywhere in Europe

■ DFDS Special Cargo office
