

Kanet-Agro is company that is a part of "Kanet" grouping. The company was founded in 1990 and since then we are working successfully. We are in the agro business since 2006, and we believe that food is the future of the 21-st century. We manage a total of 50 hectares of agricultural land in the Gevgelija–Vinojug region, of which 24 hectares are currently in production. Our facilities include state-of-the-art 15 glasshouses, each covering 1.5 hectares in total 24 hectares and equipped with advanced heating and watering systems. With a dedicated team of more than 250 employees, we ensure continuous, sustainable, and high-quality production that meets the demands of both local and regional markets.

Mission: Sustainable agriculture with implementation of the latest technologies.

Vision: To be a leader in regional production of organic and fresh agricultural products.
