## Grown from Waste. Designed for the Future.

Crafted from a unique polymer infused

with used coffee grounds.

100% recyclable

reddot winner 2025

At **growkit**, we turn  
organic waste from cafés,  
companies, and public spaces  
into **oyster mushrooms** – and  
grow walls with meaning,  
beauty, and purpose.

Partnership with  
the Prague Innovation Institute  
as part of the Circular Schools project.
