New European Bauhaus Facility - Matchmaking event 2026

LIVING LAB ACTING AS PILOT AND REPLICATION ENVIRONMENT

- Placemaking organisation managing 2 revitalised heritage sites:
Kalnciema Quarter and Āgenskalns Market
- 15+ years transforming historic urban spaces into food, culture & community hubs
- Adaptive reuse of 19th-century wooden houses & 100-year-old Art Nouveau market
- Operating as real-life urban spaces for neighbourhood transformation

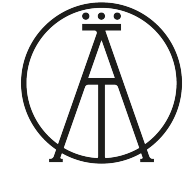

WHY WE ARE RELEVANT FOR NEB TOPICS

- REGEN-01 – Thermal comfort in buildings
- REGEN-02 – Sustainable maintenance & repair
- REGEN-03 – Sustainable & beautiful use of vertical space
- PARTICIPATION-02 – Spatial design of neighbourhoods
- PARTICIPATION-03 – Inhabitant experience & wellbeing
- BUSINESS-03 – Reuse of vacant / underutilised spaces

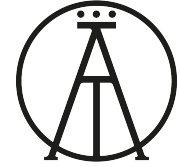

WHAT WE OFFER

- **Living labs acting as pilot or replication environments** in heritage sites (Latvia)
- **15+ years experience** in participatory governance & co-creation models, interdisciplinary approach
- **Ecosystem of 500+ active stakeholders** in food, culture & placemaking (producers, craftsmen, artists, residents, placemaking actors)
- **Strong dissemination & community: (200k reach monthly)**
- **Long-term scientific partner:** Baltic Studies Centre (15+ years)

EXPERIENCE IN EU PROJECTS

- FOODCITYBOOST (2024–2028) Horizon Europe;
- IN-HABIT (2020–2025) Horizon Europe;
- SUSPLACE (2015–2019) Horizon 2020 (Marie Curie Actions);
- Eligible as a widening country partner in Horizon Europe projects.

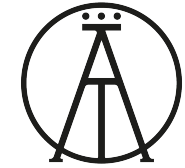

WHAT KIND OF PARTNERSHIPS WE SEEK

- **Coordinators** working on REGEN & PARTICIPATION & BUSINESS topics
- **Consortia** developing sustainable maintenance and adaptive reuse models
- **Partners** working on neighbourhood wellbeing & spatial design innovation
- Innovative funding and business models for heritage-based regeneration
