759 STUDIO is a dynamic architectural and design firm headquartered in Belgrade, Serbia. Our expertise spans across architectural and interior design, as well as the revitalization of existing structures and the creation of bespoke furniture and interior products.

The founders behind 759 Studio have collectively shaped over 358,000 square meters of living space and delivered more than 3,900 apartments globally. Our portfolio boasts a diverse range of projects, including residential complexes, extensive reconstruction endeavors, and captivating interior design ventures for both commercial and residential spaces.

Moreover, alongside our esteemed team of collaborators, we have garnered recognition for our innovative designs through several esteemed competitions in Serbia. Prior to establishing 759 Studio, our founders collaborated on numerous projects, publications, and exhibitions during their academic pursuits, collectively participating in 24 exhibitions and publishing three notable works. Our dedication to excellence has earned us nominations and accolades from prestigious international and domestic student awards, cementing our commitment to pushing the boundaries of architectural innovation., such as:

Reward:

- **UnIATA '20** - Best Institute for Graduation Projects Award / within the team of the Faculty of Architecture, University of Belgrade

Nominations:
