

ABOUT US

Three friends from Budapest who truly missed delicious sauces. There was no turning back, so we developed our own flavors. Our friends wouldn't let us keep them to ourselves, so we launched them to the market.

Our philosophy:

- Our goal is to create something good, not just to make quick money.
- Creating premium products from the highest quality ingredients.
- Trade war? We prefer peaceful, fruitful relationships – with our customers and partners alike.

FELS BBQ - SPICY

An exciting spicy sauce made really hot by the habanero chilli.

FELS BBQ - CLASSIC

The classic is a culinary adventure that flawlessly complements grilled meats.

FELS BBQ - KOREAN

Korean flavor is the epitome of Asian flavours, made unforgettable by the pleasant blend of fresh ginger, sesame and garlic.

DELUXE PACKAGE

Three FELS BBQ sauces in one package.

YOU CAN FIND US
