GROUP

CUSTOM FURNITURE PRODUCER

- A full-service company. From drawings to installation - and everything in between.

Welding Peace – Lineall Group

From Concept to Completion

Lineall Group designs and manufactures custom furniture for commercial, hospitality, and public spaces. Since 2014, we've delivered precise, long-lasting solutions - from technical drawings to final installation.

Complete Manufacturing Solutions

With full in-house production - metal, wood, and finishing - we control every stage and adapt to complex project needs. Our team works closely with architects and designers to turn ideas into functional, high-quality results.

partnerships

Diverse Sectors, Customized Solutions

①

Commercial & Hospitality

Custom furniture for hotels, restaurants, offices, and public spaces: reception desks, bar counters, tables, seating, and built-in elements.

③

Design Projects

Furniture and architectural elements for complex projects: bespoke shelving, designer tables, custom seating, and integrated solutions.

②

Fittings & Component

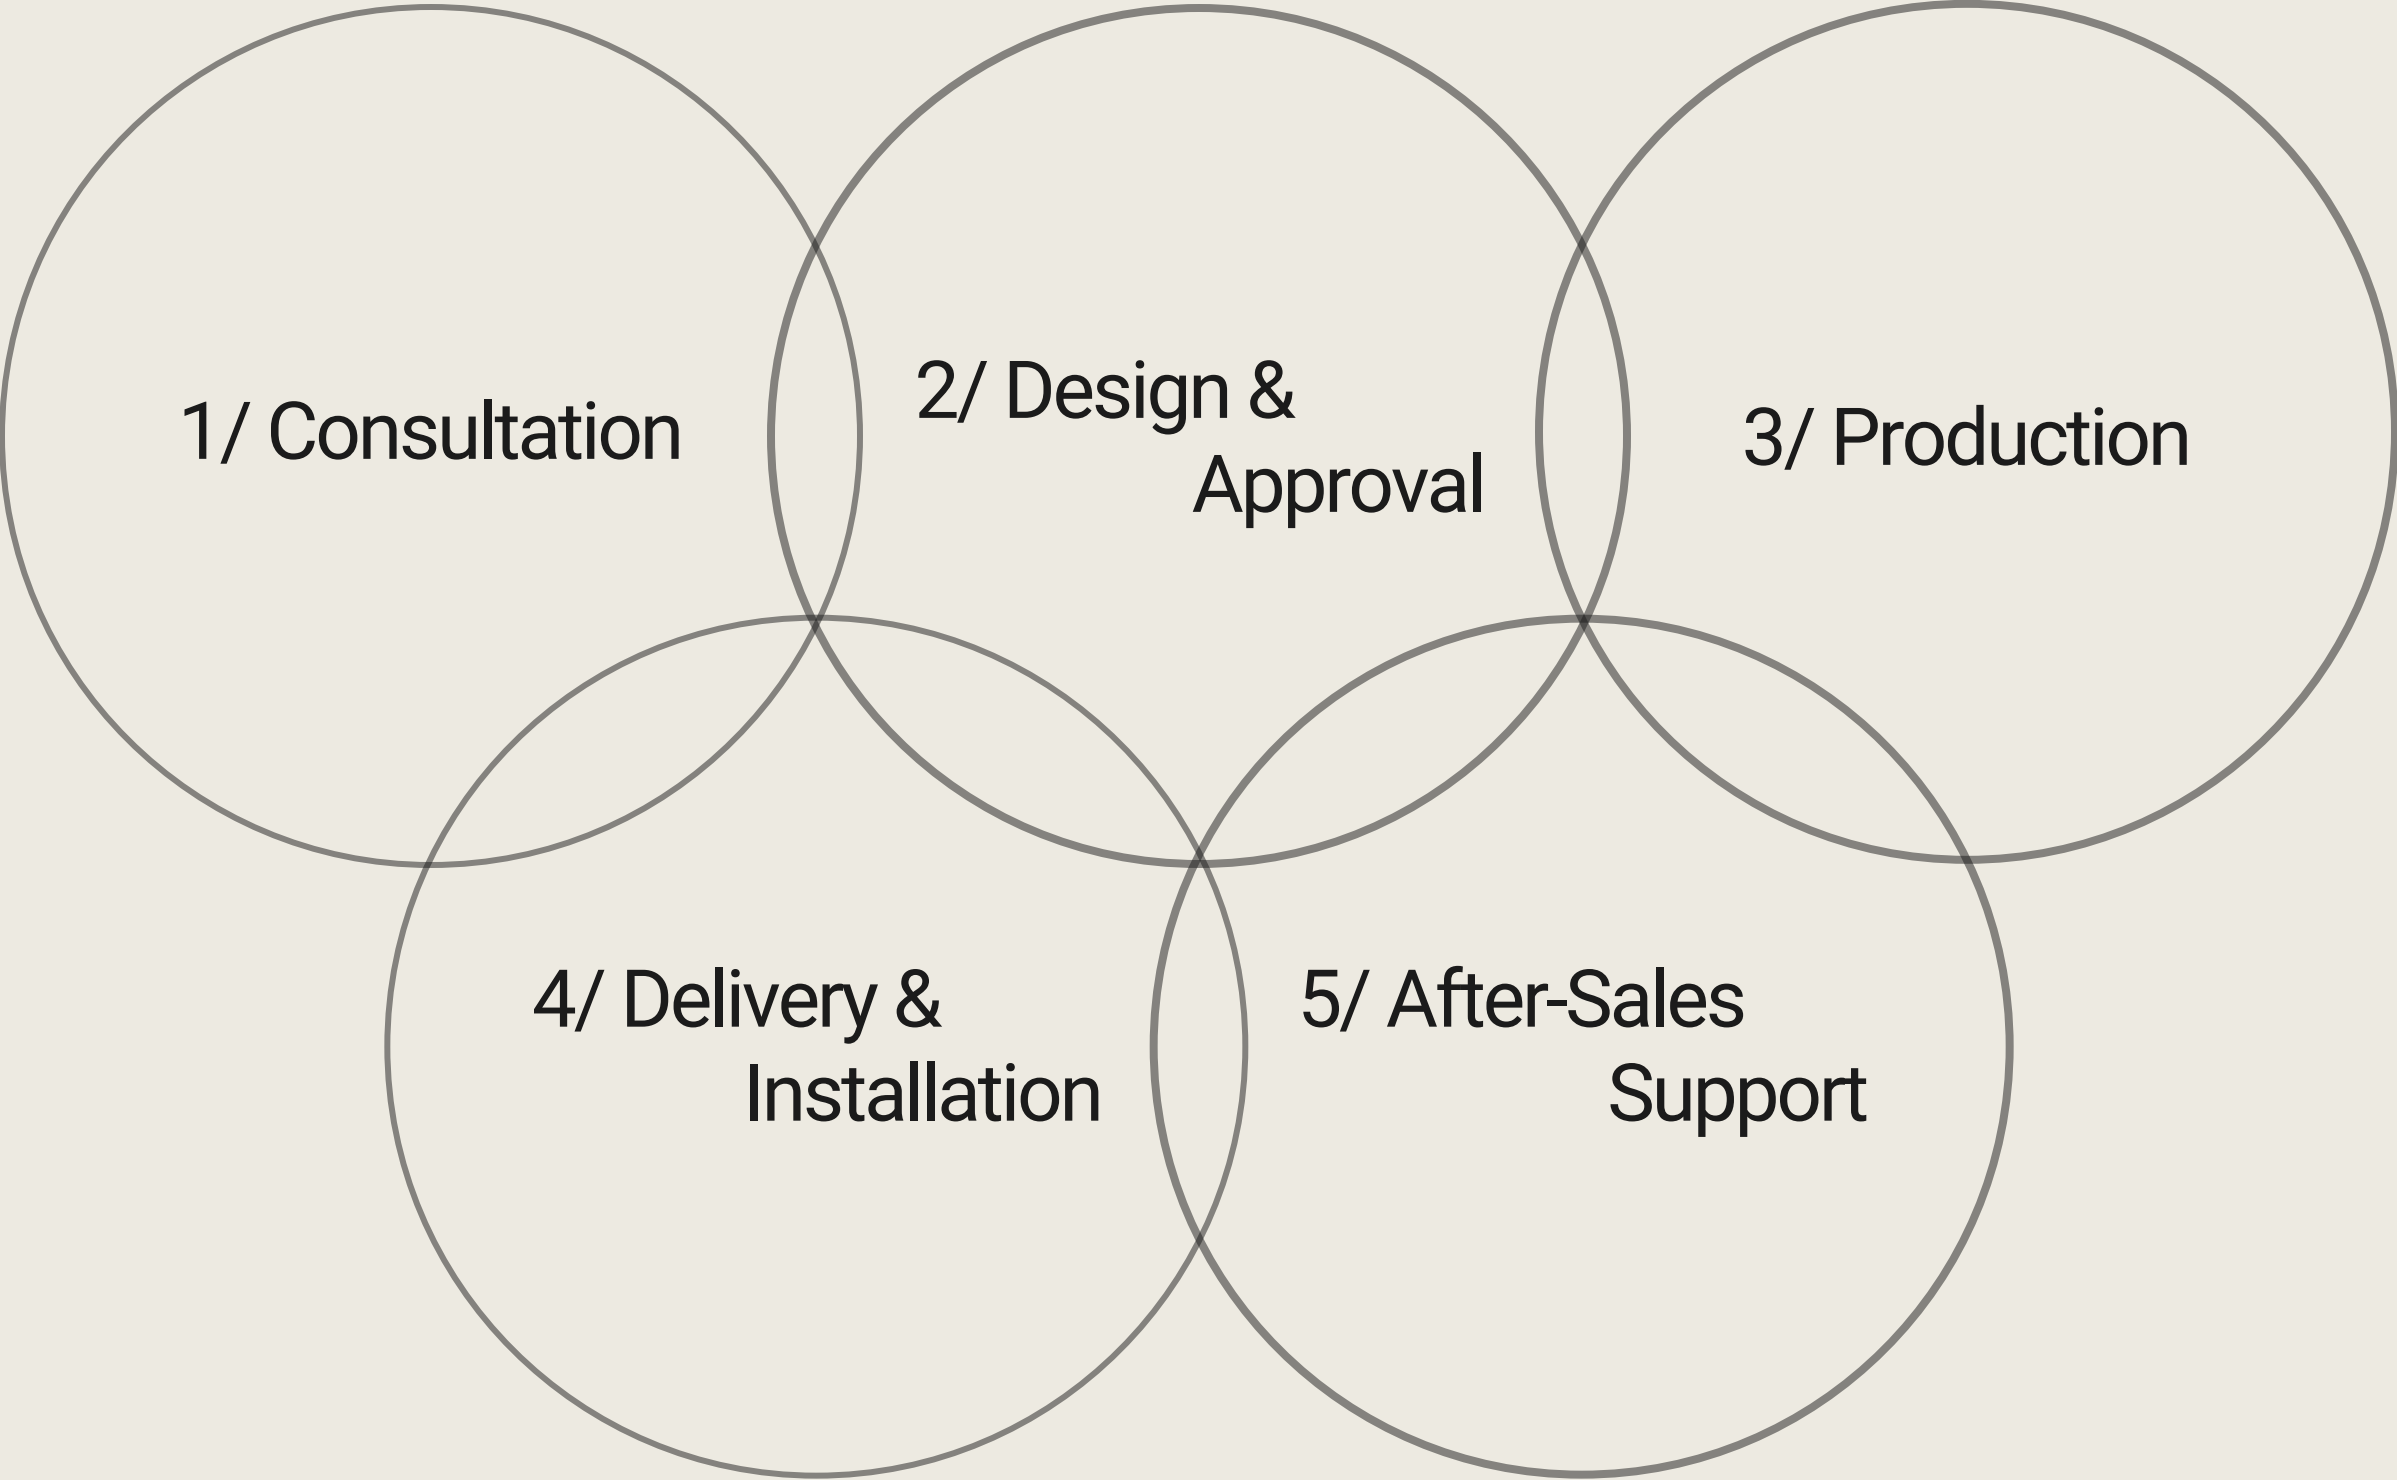

Furniture components and fittings: metal frames, panels, welded structures, and custom parts, white-label production for manufacturers and resellers.

④

Retail Solutions

Retail furniture and equipment: baskets, hooks, display stands, modular systems, and checkout areas.
