The Container2.0

The **Eco-friendliest**
And **Only Smart**
Dry Container In The World

The Container2.0
has the Highest payload
in the world

The Container2.0
has been tested with the
highest ISO standards

Higher Payload

Less CO₂

Less Costs

Container2.0 in use

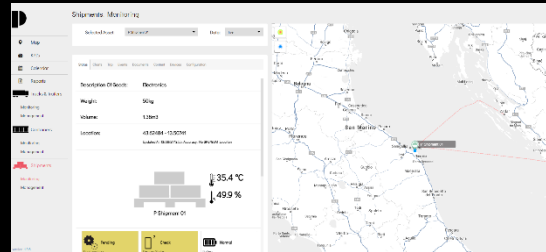

Data Collection & Analysis

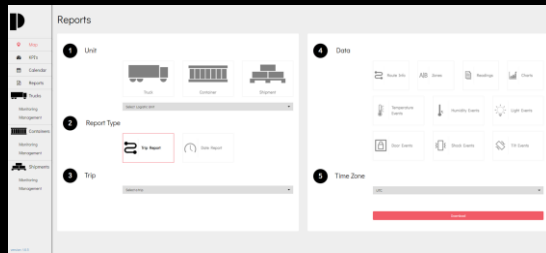

A Breakthrough & Fully Customizable Platform

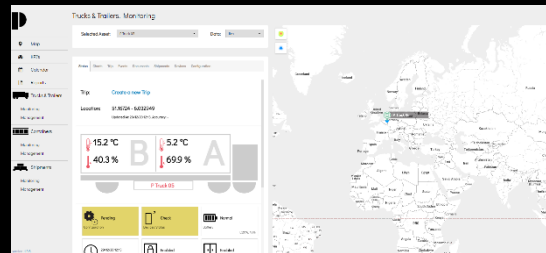

Assets Map

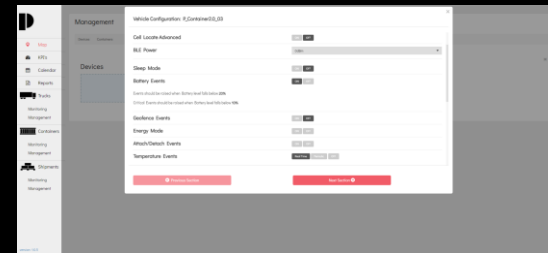

Shipment monitoring

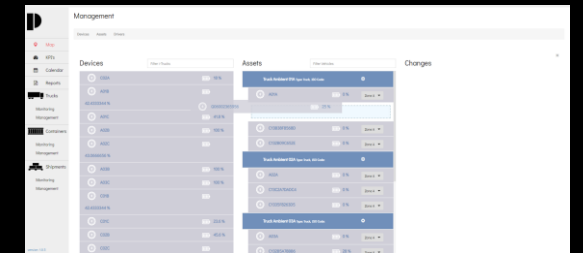

Real-time Reporting

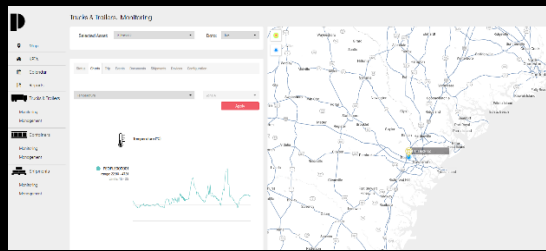

Truck/ Trailer monitoring

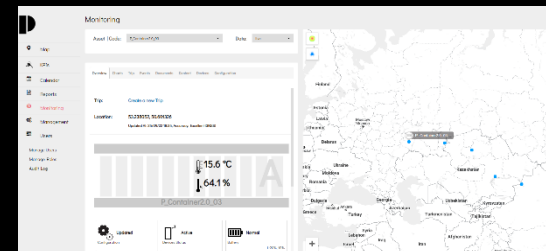

Full distance control

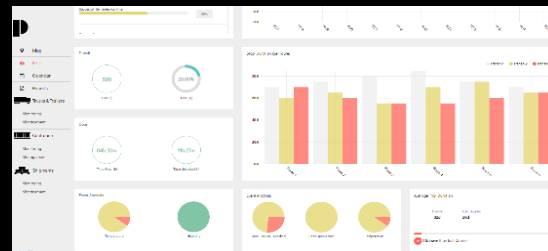

Easy set up & configuration
