# About Us

## WAMC Log

### Board of Directors Profile

Challenged by the existing gap in the provision of international logistics services, three professionals with extensive experience in the sector decided to invest in a company that was concerned with understanding the real needs of its customers. So, in 2001, WAMC Log was created, a 100% Brazilian company that seeks to offer all the necessary support in the foreign trade area, always taking into account the nature of each business, and worried about the integrity at every step.

### Company Logo

Our brand is based on principles such as providing solutions that guarantee deadlines established, integrity and reliability in controls and processes, attitudes that recognize the WAMC Log as a constantly evolving company that provides customized actions fully satisfying the customer.

**Integrity at every step**

## Customs Clearance

The customs clearance is the release of goods by Brazilian authorities (Receita Federal, MAPA, ANVISA...) for entry into the country (in case of importation) or exit (in case of export).

- We act in a preventive way, guiding before and during the process and defining together with the customer the correct way for your goods to be released quickly and without inconvenience.

- We are present in the main ports and airports to follow all the processes and, if necessary, we make any clarifications and corrective actions.

- We support special regimes in foreign trade operations such as customs warehouse, temporary admission, temporary export, customs transit, drawback, Recof and special deposit.

# WAMC Log Services Ground Transportation

- We pick up/deliver your cargo in the main ports and airports of Brazil, **counting with a large number of partners** to attend your company on all Brazilian territory.
- We transport **break-bulk, consol, containers, refrigerated goods, dry goods, bulk, dangerous goods (IMO) and live animals.**
