Minced

OUR PLANT-BASED MINCED
MEAT ALTERNATIVE CAN BE
USED EVERYWHERE
TRADITIONAL RAW MINCED
MEAT IS USED

Classic Ninned
Pea-Based

Classic Ninned
Soy-Based

CLASSIC NINCED

Raw plant-based minced beef alternative in the classic version, intended for seasoning on your own. It can be shaped into patties or sautéed. For professionals, it's available in beef and chicken versions.

Plant-Based Meatballs
Garlic & Herbs

PLANT-BASED MEATBALLS

GARLIC & HERBS

Ideal for preparing a classic dinner or Italian Spaghetti Napoli. In retail versions, they are perfectly seasoned and ready to eat after heating, while for professionals, they are raw and prepared for baking or frying.

Plant-Based Gyros Chunks
Greek-Style

PLANT-BASED GYROS CHUNKS

GREEK - STYLE

Juicy pieces seasoned with original Greek herbs, perfect for a quick lunch or snack. They taste great with tzatziki sauce, in wraps, and salads. Ready to eat cold or warm.

Plant-Based Chicken-Style
Chunks

PLANT-BASED CHICKEN-STYLE CHUNKS

Pieces with a mild chicken-like taste, suitable for quick meals, both cold and warm - in sauces, stews, salads, tortillas, and even in Asian dishes. Ideal for a quick lunch or complex meals.

PROPER PLANT-BASED TARTARE

Amazing plant-based beef-style tartare! Excellent with favorite additions, just like standard tartare. It pairs well with onion, salt, pepper, marinated mushrooms, and cucumber. It's a hit at any party!

Proper Plant-Based Tartare

the 2023 Tartare Taste Competition

PLANT-BASED BURGERS

Deliciously seasoned plant-based burgers available seasonally for retail. Foodservice version of the burgers is raw, characterized by a pleasant, delicate meaty taste, available consistently in beef-like and chicken-like options.

PLANT-BASED 'TUNA'

Shredded tuna-style pieces in oil. Great both cold and warm, perfect for making fish spreads, sandwiches, salads, casseroles, sushi, or pasta. Planeat® Plant-Based 'Tuna' is juicy and contains excellent omega-3 fatty acids.

MEDITERRANEAN-STYLE KOFTAS

Formed Koftas with perfectly balanced herbs and spices, pairing beautifully with fresh toppings. The retail version is ready to heat, while the foodservice version is raw, pre-shaped, and ready to bake or fry.

PLANT BASED PULLED PORK: NAKED & BBQ CHIPOTLE VERSION

Pulled pork style plant-based product, available for professionals in two versions: **NAKED** – perfect for your own seasoning and bold toppings, and **BBQ CHIPOTLE** – in a mildly spicy, smoky marinade. With its fibrous texture and satisfying flavor, our plant based pulled pork take plant-based dishes to the next level!
