Organizational preparedness & resilience

Pasi Tervonen

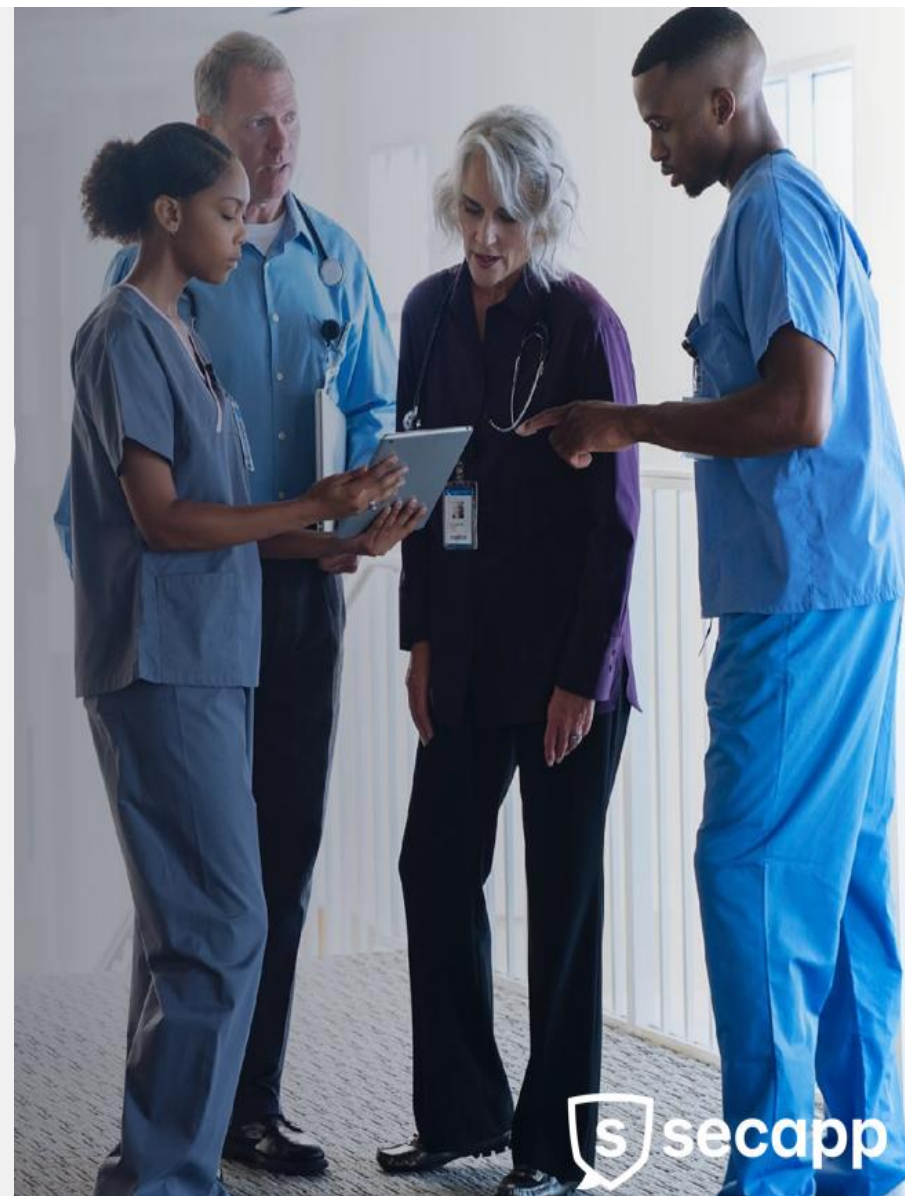

Director, Healthcare segment

Threats Are Growing – Uncertainty Is the New Normal

The world is changing faster than ever

Extreme weather, cyber threats, infrastructure failures, and staff shortages challenge organizations' ability to act – when every second matters.

- How fast can you react?
- How can you make sure that you reach all correct individuals 24/7?

SLASK

Secapp critical communication platform

Prepare and alert

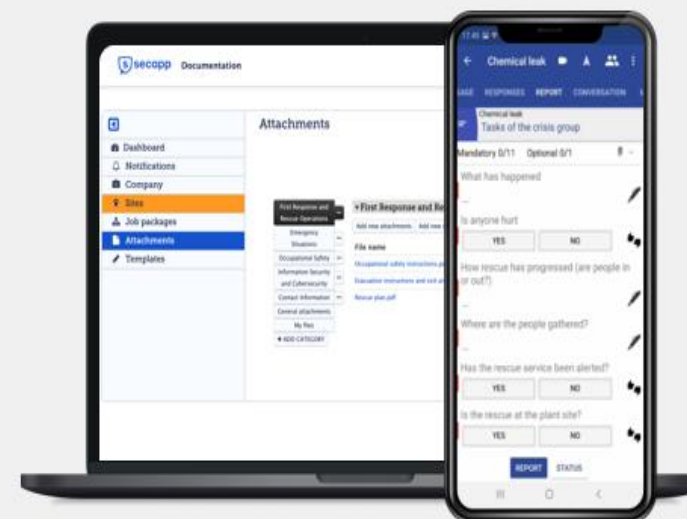

Captures attention in seconds through using **multiple communication channels**, **bypassing device's silent mode**, and **demanding instant response**.

Communicate

Reliable and fast **two-way communication** with chat and video makes daily communications and situational management easier.

Document

Streamlines collecting, sharing and transparency of data – **even offline**.

Co-creative partnership

Improve your organizations reactiveness in critical situations

Drive your organizations resilience to bounce back to normal operational speed

Investment with proven ROI
