From brave people of Ukraine 🇺🇦

**TM SUNFILL** is a Ukrainian manufacturer founded in 2016 to make 100% natural, healthy and delicious SUPERFOOD products for those who want to lead a healthy lifestyle and take care of their health!

We manufacture such a variety of sweets as CANDIES and BARS based on dried fruits and nuts, as well as INNOVATIVE snacks: GRANOLA and CRISPBREADS based on flax and sunflower seeds with the addition of fresh vegetables and spices, but **without the addition of flour, yeast or baking powder.**

## KEY BENEFITS:

- 100% NATURAL
- SUGAR FREE
- NON GMO
- ZERO PRESERVATIVES, STABILIZERS, E-ADDITIVES AND ANY HARMFUL ADDITIVES
- PERFECT FOR ON-THE-GO SNACKING, BREAKFAST OR AS A DESSERT
- CERTIFIED RAW MATERIALS
- UNIQUE RECIPES

Our mission is to provide people with the opportunity to choose 100% natural and healthy sweets and snacks, and to inspire a shift towards healthier snacking habits prioritizing people's health and well-being.

**Our vision** is to revolutionize the snack industry by prioritizing consumer's health and well-being. We believe in nourishing both body and soul. Our commitment is to manufacture irresistibly delicious snacks using only 100% natural ingredients.

### **OUR SUPPLIERS**

The suppliers of raw materials are large farms and companies that are able to ensure stability in all indicators of raw materials' quality and transportation, under appropriate conditions.

We're passionate about using only the freshest, nutrient-rich ingredients sourced from trusted suppliers.

Some raw materials that we use in our recipes are of Ukrainian origin supplied by Ukrainian local farms, and some others are supplied by the international brands which guarantees the quality of their products.

# Product Range

CRISPBREADS

BARS

GRANOLA

CANDIES

**OUR CRISPBREADS ARE 100% PLANT-BASED.  
FREE FROM FLOUR, YEAST OR BAKING POWDER!**

The basis of our crispbreads is flax and sunflower seeds with the addition of fresh vegetables which are heat-treated at a temperature 42°C - it allows to keep all the vitamins, trace elements and minerals inside.

Perfect as a healthy snack or as a complete main meal.

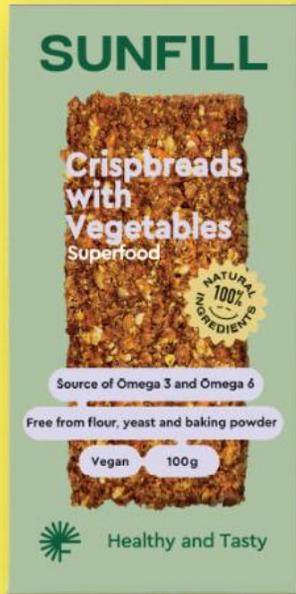

**A healthy alternative to bread - no flour, yeast, leavening agents, sugar and sugar substitutes, and sure no GMO.**

### **KEY BENEFITS of Crispbreads SUNFILL :**

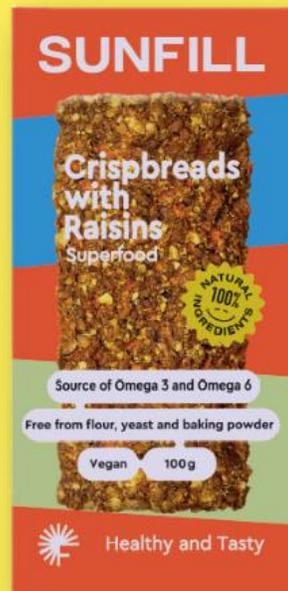

- Help to normalize metabolism and remove toxins from the body
- Contain monounsaturated and polyunsaturated fatty acids, B vitamins, potassium and iron that are essential for the body's functioning at the cellular level
  - Help to reduce cholesterol level
- Saturate with ascorbic and folic acids that improve metabolism and blood circulation

**To make GRANOLA we use green buckwheat kernel and fresh green apple as a basis, so it is more than HEALTHY AND USEFUL! We have developed it as nutritious as possible, adding a mixture of proteins – nuts and seeds, and fiber in the form date-apple puree + green buckwheat!**

**Add it to your daily diet for breakfast or as a sweet snack for your lunch!**

### **KEY BENEFITS of Granola:**

- The gobbet of vegetable protein and digestible amino acids
  - Low glycemic index
- Helps lower blood pressure, strengthens the walls of blood vessels and helps to regulate the work of the cardiovascular system
- Omega-6 and Omega-3 that aren't produced by the human's body
  - Sufficient amount of trace elements and vitamins
