Indoor and outdoor furniture

Heterogeneous furniture collections, each telling its own story, each with a unique and exceptional origin. Luxury furniture for your entire home that reflects multiple styles, functional needs and aesthetic tastes.

BEDROOM

Fine materials and precious fabrics make the bedroom not only comfortable, but an elegant room that is skilfully furnished in every detail.

KITCHEN

The space reserved for the kitchen becomes an environment totally designed to make the human essence the protagonist. Projects that are the result of high research and sophisticated materials that become true works of art.

DINING ROOM

Dining rooms where tables and chairs are true furnishing complements. Each piece of furniture tells its own story through geometries and interweaving colours.

LIVING ROOM

Luxury furniture designed to make the living area more than just a meeting place. From the majestic and sumptuous to the more modern style, including animalier furniture with an authentic flavour.

STUDIO

Furnishing elements designed to be not only functional, but welcoming for guests and equipped with every comfort.

OUTDOOR

Outdoor furniture with unique prints and patterns. From animalier to exotic styles: luxury furnishings to decorate a space and make it as scenic as it is functional.

Tiles

Our company was founded dealing with porcelain tiles, both for outdoor and indoor use. We offer a wide choice of materials and, above all, large slabs with marble or cement effect.

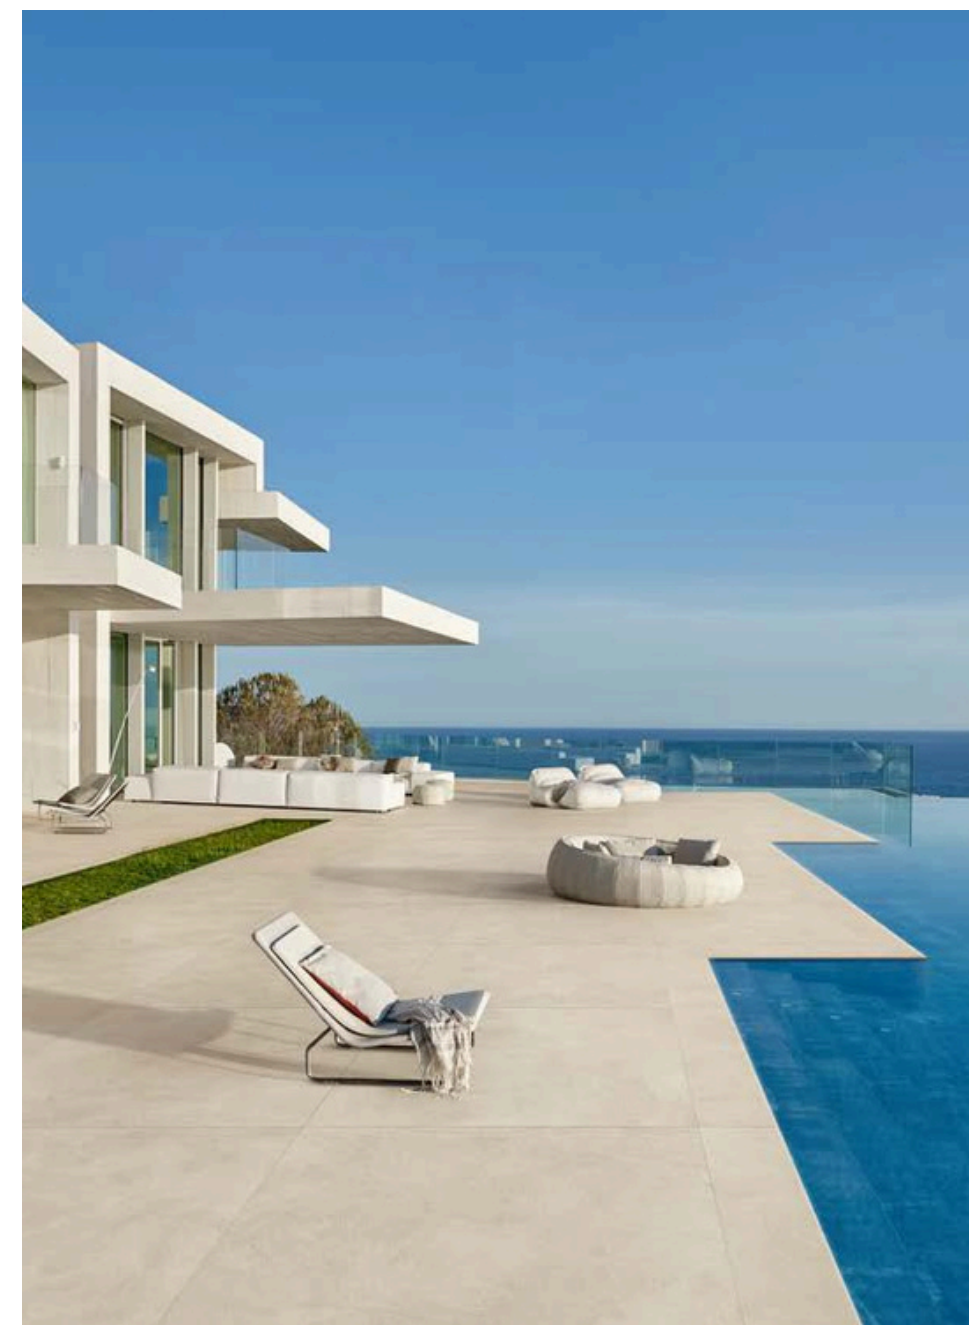

CONCRETE-EFFECT STONEWARE

The cement effect to give the room a more minimalist tone and an industrial style, without sacrificing elegance.

MARBLE LARGE SLABS

The marble effect, glossy or matt, designed for prestigious environments where luxury and elegance cannot be lacking.

GRES PER ESTERNI

Outdoor tiles: design and functionality to make flooring safe and give it a touch of design.

Bathroom

Furniture, sanitary ware and tapware designed to make the bathroom space an environment where the personality and character of each individual can be represented. We take care of the bathroom at 360° starting with tiles, furniture and sanitary ware, offering a wide range of the most prestigious Made in Italy brands.

SANITARYWARE

Sanitary ware that is not only functional, but a true furnishing complement. Lines, shapes and materials that together with the bathroom furniture create an environment that reflects one's personality

BATHROOM FURNITURE

Bathroom furniture that catches the eye of the most aesthetically demanding. From the most classic and lush style to the most minimal and modern.

TAPS AND FITTINGS

Faucets that blend perfectly into the environment. Not just functionality, but extensive aesthetic and technological research. The perfect fusion of colours, shapes and materials.
