PURPOSES, LEGAL BASES AND DATA RETENTION PERIODS

PURPOSE	LEGAL BASIS	RETENTION PERIOD
Registration for the event	Article 6(1)(e) of the GDPR in conjunction with the provisions of the Act on the Łukasiewicz Research Network. By organizing events, we carry out tasks in the public interest, including the promotion of science and knowledge of new technologies, as well as the provision of courses and training for the workforce and industry.	Until the event concludes
Organization and implementation of the event		
Communication related to the event		
Sending information related to ITECH activities, including other events	Article 6(1)(a) GDPR (consent)	Until consent is withdrawn, but no longer than 5 years
Promotion of the event through the publication of recordings or photographs from the event in which your image may be visible on our website or social media channels.	Article 6(1)(f) of the GDPR. Our legitimate interest is to promote our activities and report on the course of the event, as well as to act upon your consent for the publication of your image where the law requires us to obtain such consent before publishing a recording or photograph.	Until consent is withdrawn.
Establishment, exercise, or defence of legal claims	Article 6(1)(f) GDPR. Our legitimate interest is the protection of our legal interests.	Until the expiry of the limitation period for claims arising from participation in the event.

DATA RECIPIENTS

We may disclose your personal data to entities that provide us with services related to the processing of personal data, including providers of event co-organization, postal, IT, legal, and newsletter distribution services. We may also disclose your personal data to entities authorized to obtain such data under applicable law.

In our day-to-day operations, we use solutions provided by Microsoft Corporation (Microsoft 365). Consequently, your personal data may be transferred to the United States.

With regard to your image captured in recordings and photographs from the event that we publish, recipients of your personal data may include users of our website and social media platforms. In addition, recipients of your personal data in this context will include the operators of the social media platforms on which we publish such recordings and photographs, namely Google LLC, Meta Platforms, Inc., LinkedIn Corporation, and X. This may involve the transfer of personal data to the United States.

The legal basis for the transfer of personal data to the above-mentioned entities is the European Commission's adequacy decision recognizing the EU-U.S. Data Privacy Framework as providing an adequate level of protection for personal data, to which the above-mentioned entities are certified.

YOUR RIGHTS

You have the right to access your personal data, including the right to obtain a copy thereof. You may also request the rectification of your personal data, restriction of its processing, or its erasure. You have the right to object to the processing of your personal data where such processing is based on our legitimate interests.

With regard to personal data processed on the basis of your consent, you have the right to withdraw your consent at any time. The withdrawal of consent shall not affect the lawfulness of processing carried out before such withdrawal.

You also have the right to lodge a complaint with the President of the Personal Data Protection Office (Prezes Urzędu Ochrony Danych Osobowych).

PROVISION OF PERSONAL DATA

The provision of your personal data is voluntary; however, it is necessary for the fulfilment of the processing purposes, including participation in the event. This does not apply to personal data collected on the basis of your consent. Providing such data is voluntary and does not affect your ability to participate in the event; however, failure to provide such data may prevent us from achieving the relevant processing purpose (for example, sending you information about similar events).

AUTOMATED DECISION-MAKING

No decisions producing legal effects concerning you or similarly significantly affecting you will be made solely on the basis of automated processing of your personal data.
