## Company Overview

Matches P.C. is a Greek apparel manufacturing company, focusing on the production of high quality garments for its clients, renowned names in the world of fashion.

Based in Thessaloniki, Greece since 1988 and located in facilities of 2000 m<sup>2</sup>, the company's commitment to quality has been its characteristic through which it managed to stand out from the competition and build strong and lasting partnerships with famous names of the apparel industry.

Showing an intense export activity, *Moschino, Fiorucci, Blugirl Folies, Ducati apparel, Diesel Black Gold, Ice Play, Emporio Armani, Custo Barcelona, Chiara Ferragni, Helly Hansen, Racing Spirit, Slam, Herrlicher* are only some of the brands the company has been doing business with over the last years.

Whatever the requirements are, the company can handle a variety of orders, including T-shirts, polos, sweatshirts & hoodies, blouses, jerseys & jackets, pants & shorts, dresses & skirts, jumpsuits & tracksuits.

Our wide network of associates in all aspects of the production (*weaving, textile, knitting, dyeing, washing, ironing, printing, embroidery*), using modern and innovative technical processes, can cope with any requirement of an order.

## COMPANY PROFILE

The operation of the company complies with the requirements of the BS EN ISO 9001:2015 Quality Management System Standard, since the aim is to provide high quality garments to fully meet our clients' requirements, while confirming that we maintain a high level of efficiency.

Regarding production lines, the initial planning, R&D activities, pattern drafting, manufacturing of all proto samples as well as the cutting process take place in our facilities in Thessaloniki, along with all other intermediary processes (weaving, textile, knitting, dyeing, washing, printing, embroidery).

While when it comes for salesmen samples and bulk production, certain activities like sewing, ironing and packaging are outsourced in Bulgaria to our associates - subcontractors under the constant guidance and supervision of Matches company throughout the whole production procedure.

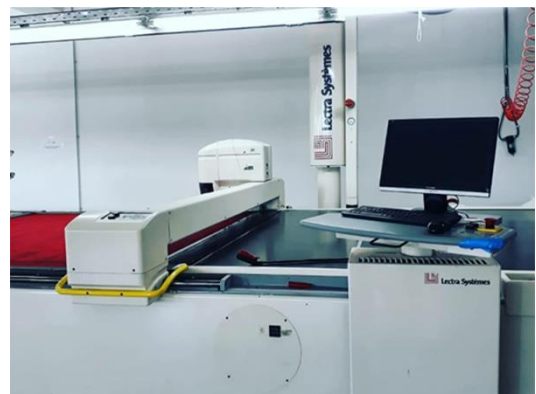

Having acquired the *know-how* of apparel manufacturing, the company's Management confirms that all processes are performed in such a way as to ensure the quality of the garment.

## COMPANY PROFILE

The company's monthly production capacity is 40.000-60.000 units depending on the circumstances (articles, colours, quantities, etc), while the average lead-time of productions is about 50-60 days, ex Greece.

The company is organized effectively, employs personnel with the appropriate training and has modernized machinery equipment of the latest technology, modern facilities and a distribution network with private vans and trucks.

The company's Management respects and appreciates the human factor; we make sure that adequate working conditions, relationships and rights are respected, while we condemn any form of illegal labour, discrimination and exploitation. That is a fact that leads to the unlimited support from our human resources and together we create high quality results.

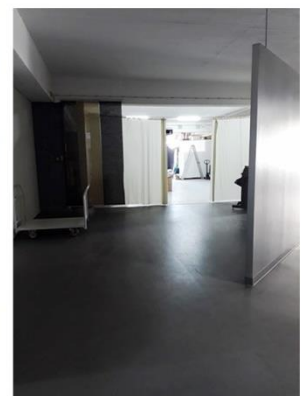

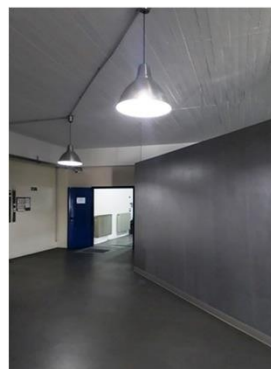

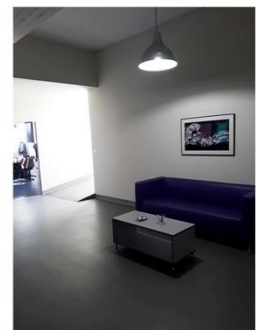

MATCHES company, having the ability to execute a client's order in a short timeframe and at competitive prices can guarantee excellent workmanship and quality results.
