**SUPERSONICALLY SPECIAL COFFEE CAPSULES**

# Our Mission

Through our coffee capsules, we showcase the diversity of coffee and deliver a unique tasting experience.

# SAMURAI SHOELACE SPECIALTY COFFEE CAPSULES

**Nespresso®-compatible** coffee capsules  
(the most widespread coffee capsule system)

**100% recyclable**, premium aluminium capsules

We work exclusively with **specialty coffee** from the top end of the world's Arabica coffee production. Our capsules offer a unique coffee experience compared to the mass market pods.

In addition to our Serious Coffee product line (available all year round) we offer seasonal, farm-selected coffee capsules in our **high-end limited** product range.

Coffees previously impossible to make at home or at the office, now available to anyone in consistent quality, **at the touch of a button.**
