# WHO WE ARE

**Fandogamia**, established 2012, is the publishing house of awarded comic-books like **EL DUELO** (Paula Cheshire), **DEMON QUEST** (Enkaru), **ENTRE ENFERMERAS** (María Jiménez) or **“THE”** (Manuel Álvarez), as well as best-sellers like **DESHECHOS HISTÓRICOS** (Don Julio), **EL DESTRIPIADOR DE PELÍCULAS** (Juanjo Cuerda) **TODOS LOS SUPERHÉROES QUE EXISTEN** (Rubén Fdez.) or **CARTONES PERROS** (Los Autores).

We are known for our humor titles, affordable editions, high contact with creators and readers, and one unbreakable motto:  
**SHOW MUST GO ON!**

# OUR COLLECTIONS

We have five collections to guide booksellers where to drop our stuff.

**YAMANOTE LINE:**

Japanese manga or manga-based comic-books.

**INFINITE LINE:**

American or European comic-books.

**DOTS LINE:**

Our Brand-new children and YA collection.

**ADSL LINE:**

webcomic adopted to paper format.

**FANERNET:**

free webcomics hosted in our website and social media.

## FACT

*That's true! Fanernet is a webcomic platform where we have published more than 30 series entirely for free. Some of our best-sellers come from here - readers want to own physical editions of things they have discovered through Internet. New authors and experimental comics have arrived to the audience alongside more commercial choices.*

# PRINTING AND DISTRIBUTION

We work with print-runs **from 1000-2000 copies per title**, which give us control over the distribution and sales, and allow us to reprint if needed with more accuracy.

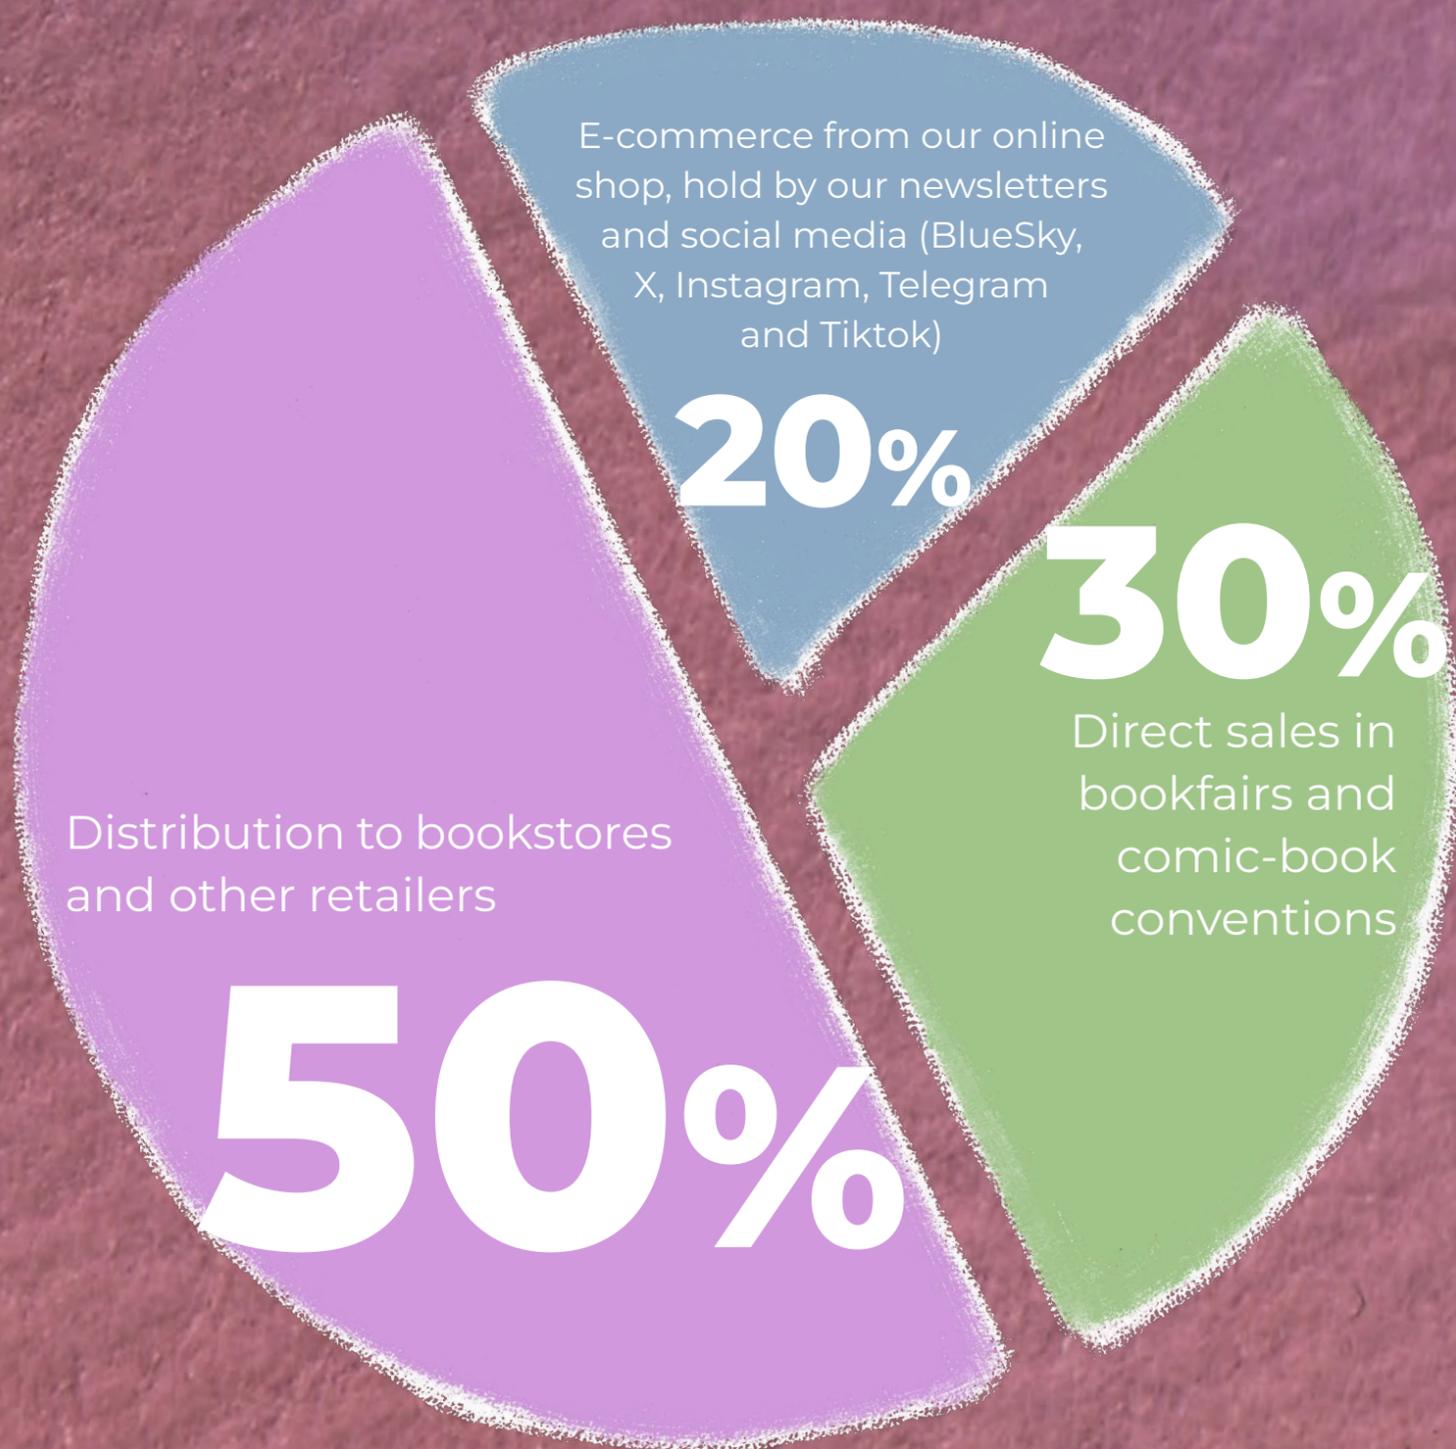

## FACT

*Even for our most recent best-seller, the satirical activity books from Don Julio (Ser fascista está mal, El niño Jesús no odia a los mariquitas, Los negritos no van a comerte), with more than 40000 copies sold so far, we have made new prints on a 2000 copies basis!*

We have created our place in the market. Our audience is young, **most between 14 and 26 years**, who are also the main audience of comic-book, videogames and manganime events in Spain.

Our efforts and sales are divided in three branches: **distribution to retailers and bookstores, direct sales in events, and direct sales through Internet.** One of our strong points, our ability to be everywhere, with books available to everybody.

These are our three main income sources:

**FACT**

*We work directly with SIX different book distributors. No place to hide from us in the Spanish market.*
