Online Deal Making

The Belt and Road Summit provides a dynamic platform brings together global resources and opportunities, enabling matchless connections between dealmakers, project owners and investors from around the globe, for Summit participants to build new connections and explore collaboration with potential partners.

Deal-Making (Business Matching)

Through **one-to-one match-making meetings**, Summit participants will be able to meet with potential business partners based on their shared areas of interest through **pre-arranged meetings**.

An online platform will also be opened to deal-making participants to **manage individual schedules** and **make additional meeting requests**.

Project Investment Sessions

Project owners from around the world will showcase their project ventures in the 4 thematic and 2 market-specific project investment sessions. The presentations shall bring investors and service professionals a holistic view of the project prospects in different regions and sectors.

The **four thematic sessions** will showcase opportunities for:

- *Energy, Natural Resources & Public Utilities*
- *Transport and Logistics Infrastructure*
- *Innovation and Technology*
- *Urban Development*

There will also be **new sessions** covering project opportunities in the **MENA and ASEAN region**.
