

FortuneGuard

Ukraine War Risk Insurance Facility

Backed by Lloyd's of London

About the Facility

Developed by **FortuneGuard** in partnership with **Lloyd's of London** and a registered Lloyd's broker. An award-winning international program, recognised as Broker Innovation of the Year by Insurance Insider. Provides coverage **up to \$50M+** for commercial properties and investments in Ukraine.

Launched 2025 → Over **\$2.5B** in insured value quoted and multiple properties and investments insured across diverse sectors.

Key Features

- **Coverage:** Damage from missiles, drones, rockets, and air defence debris.
- **Limits:** Up to \$50M+ per asset.
- **Premium:** From 2.5% of insured limit, adjusted for location, proximity to infrastructure, and strike history.
- **Structure:** Lloyd's/London market assumes 100% of risk for non-Ukrainian entities, or 99% with a leading Ukrainian insurance company retaining 1% when insured locally.

Exclusions

- Within 100 km of war zone
- Non-missile/drone terrorism
- Theft, looting
- Nuclear/chemical/biological weapons
- Artillery, rocket artillery, aerial bombs
- Cyber risks

Partnership Structure

- **Lloyd's of London:** provides reinsurance and assumes the insurance risks.
- **Lloyd's brokers:** licensed and registered Lloyd's intermediaries through whom risks are placed on the London market.
- **FortuneGuard:** Program architect and administrator, risk/pricing analytics, client onboarding, exclusive local distribution.
- **Leading Ukrainian insurance company:** issues local policies and reinsures 99% of the risk in the Lloyd's market.

Benefits for Clients

- **Tailored protection** with flexible terms.
- **Global expertise** with local support.
- **Competitive pricing** based on risk profile.
- **AI-driven analytics** for precise pricing.

Who Can Benefit?

The facility covers business and investment projects in Ukraine, including:

- **Energy & Infrastructure:** Green energy (wind, solar, storage), critical infrastructure, agriculture, food supply.
- **Property & Real Estate:** Large commercial property, new construction, retail chains.
- **Industry & Logistics:** Manufacturing, industrial facilities, logistics, warehousing.
- **Strategic Investments:** Equity-financed projects, high-value assets, and reconstruction-linked developments.

How It Works

1. **Submit asset details** (value, limits, location).
2. **Receive a tailored quote** the same day.
3. **For non-Ukrainian entities** → policy issued directly by Lloyd's/London market (100%).
4. **For Ukrainian entities** → local policy issued by a leading Ukrainian insurance company (1%) with 99% reinsured by Lloyd's/London market.

Full policy issuance within **5 business days** from client's accepting the quote.

Additional Offerings

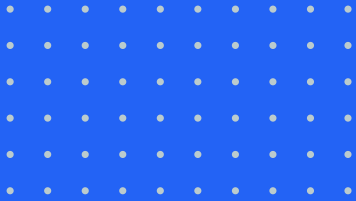

Enhanced Coverage Options

The facility can optionally provide **Political Violence** and **Business Interruption** insurance .
