

AVENYR
embrace innovation

Company Profile

10.2024

AVENYR is an **Engineering and Consulting** company, with a focus on **Future Mobility**.

“Avenir” means **future** in French.

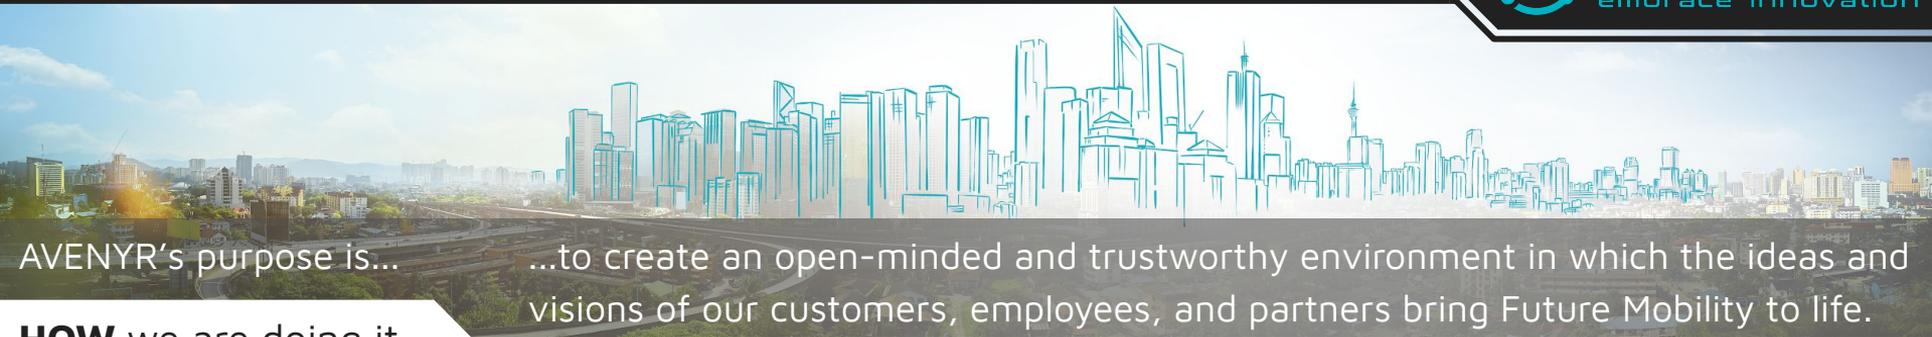

The future that we want to shape as a **team** in a **sustainable** way.

We want to offer our **customers** innovation, quality, reliability and passion.

We want to give our **employees** meaning, joy, recognition and development.

Satisfaction is not enough for us – enthusiasm is the goal.

AVENYR's purpose is...

...to create an open-minded and trustworthy environment in which the ideas and visions of our customers, employees, and partners bring Future Mobility to life.
