

Powerful Nature Based Climate Solution Highly Affordable Hydroxyl Dispersal

We are very sorry to inform you that your government has failed you on climate change and it is going to take you working with the best technology companies like us- directly. This is the cold hard truth- we have to band together. We thought governments would solve and fund this work but they aren't. Canada's government won't even sign on to a fossil fuel phase out after 27 global COP meetings!!

You can purchase reliable and guaranteed carbon removal starting at \$1.50 for 8.3 Kg removed here:

Go to <https://miracle-hydroxyl-dispersal-natural-global-ghg-removal.myshopify.com/>

Or Google search "ReductionTech". At our web site: www.reductiontech.com, we share our ironclad carbon removal guarantee. Hydroxyl has been working for us in nature for 4 billion years-cleaning and removing everything and keeping nice air and temperature conditions for us-but we have now overwhelmed the natural hydroxyl supply. Our simple hydroxyl dispersal technology is the most affordable and best in the world direct air carbon removal method and chemistry that leaves no unwanted residues. All pollution is simply made to fall out of the sky quickly and harmlessly.

Disrupt Climate Collapse

Our simple, repeatable nature based hydroxyl dispersal technology is the best value for humanity to bank on for our safety. Deeply rooted in sound science.

Disrupt Climate Collapse

Getting the climate securely to safety is our company vision, so please check us out and make a very helpful advance purchase so that we can get going. Decide to do what you personally can to remove the GHGs. The governments are not acting so you actually need to. My name is Viva Cundliffe, I am the CEO of ReductionTech Inc., and it really is news that is this bad- we are firmly on an over 3°C warming pathway and need to really push to work to correct the gas levels. We really need your help so that we can help you! Follow me on twitter and Facebook, and see the pioneering blog at www.vivacundliffe.com. If you wanted a nature based solution- you have found it here!

We are here for your successful Survival

ReductionTech Inc.
