Explore the EU Industrial Strategy for Tourism!

The European Commission has introduced a new strategic approach aimed at revitalizing tourism. This strategy focuses on achieving sustainable tourism, promoting a green transition, fostering a circular tourism economy, and enhancing resilience planning.
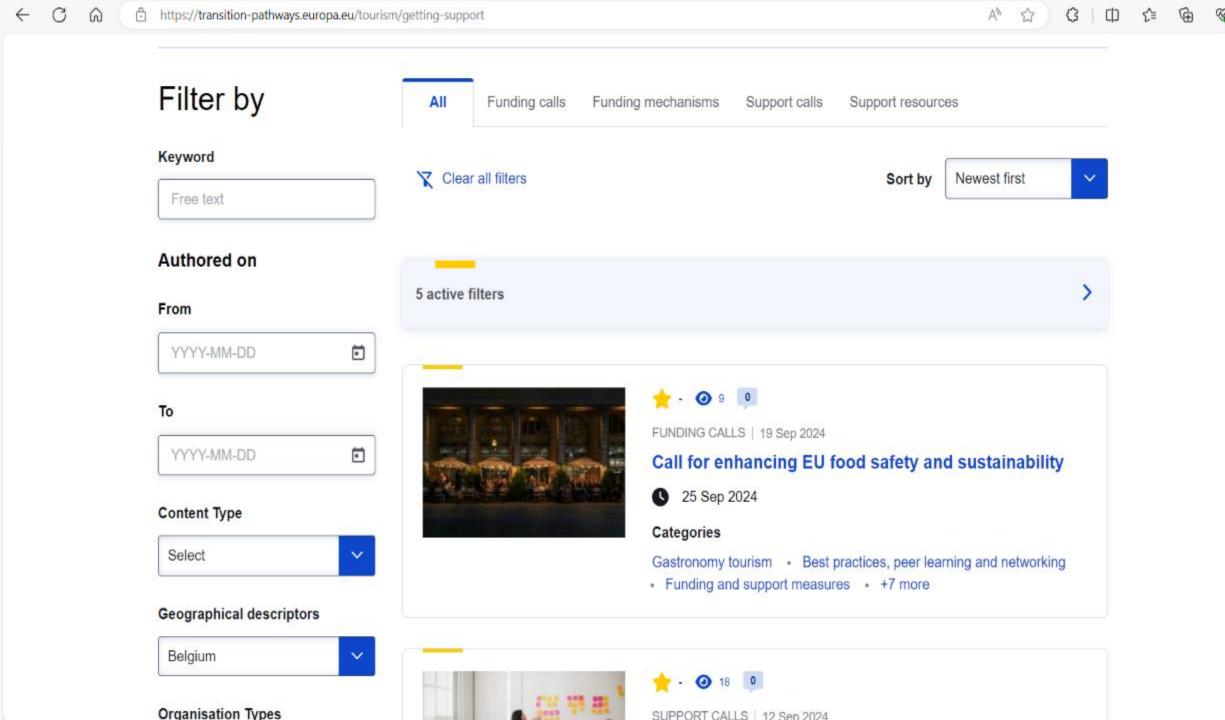

Explore the strategy ❯

The Transition Pathway Stakeholders Support Platform

The platform shall be **informative** on policies and legislation, stakeholders pledges and best practices, information on funding and financing, and will have a calendar on major events and activities.

For members that **join the ecosystem** the platform will allow also **interactions with the users**, allowing their own publications, finding actors, and participating in a community format.

The platform is **aimed to** businesses (including SMEs), business associations, institutions at EU, national and regional level, and any interested actor. It will be translated to the **24 EU official languages**.
