Backup

AI Powered Enterprise Software

We invest in Technical Founders backed by the best Venture Capital firms.

Silicon Valley Seed Fund

We are \$10 million fund investing in up to 20 pre-seed and seed-stage companies.

AI Founders love our track record

Our track record combines a pioneer in the AI industry with a corporate software investor who generated a 3.08 DPI.

Fuel Founder Focus

We remove founders' operational burden, enabling them to focus on product development and technology while we handle their back office.

Fast-Track to Series A

We enable our portfolio companies to become top decile performers by reducing overhead and empowering the founders to focus on PMF.

Embedded Support Partner

Our dedicated support partners and back-office services enable founders to focus on growth, accelerating their path to critical milestones.

Graham Siegel

Value Add

Embed Support Partner

The Support Partner is the liaison between the portfolio company and the shuckerVC Ops Team

Operate Back Office

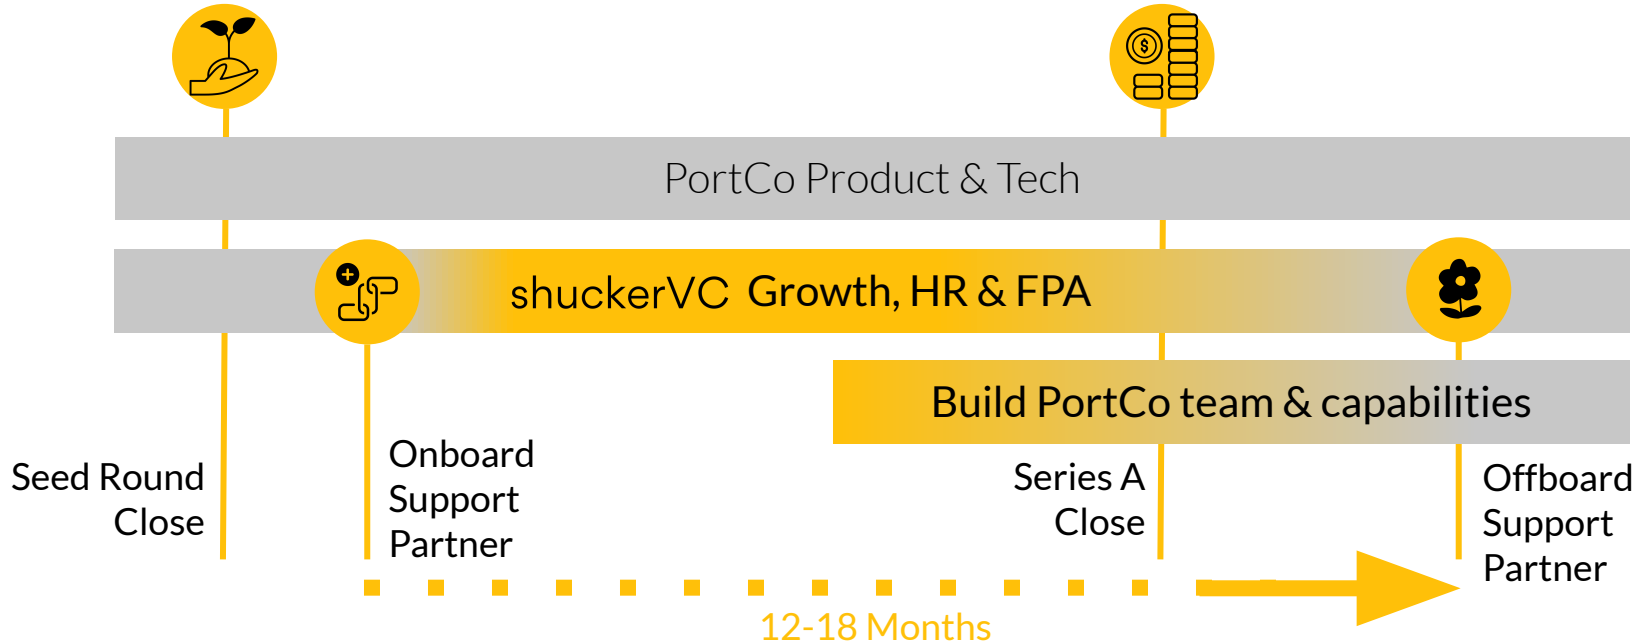

shuckerVC Ops Team delivers finance, people, and growth needs for the portfolio company

Win the Market

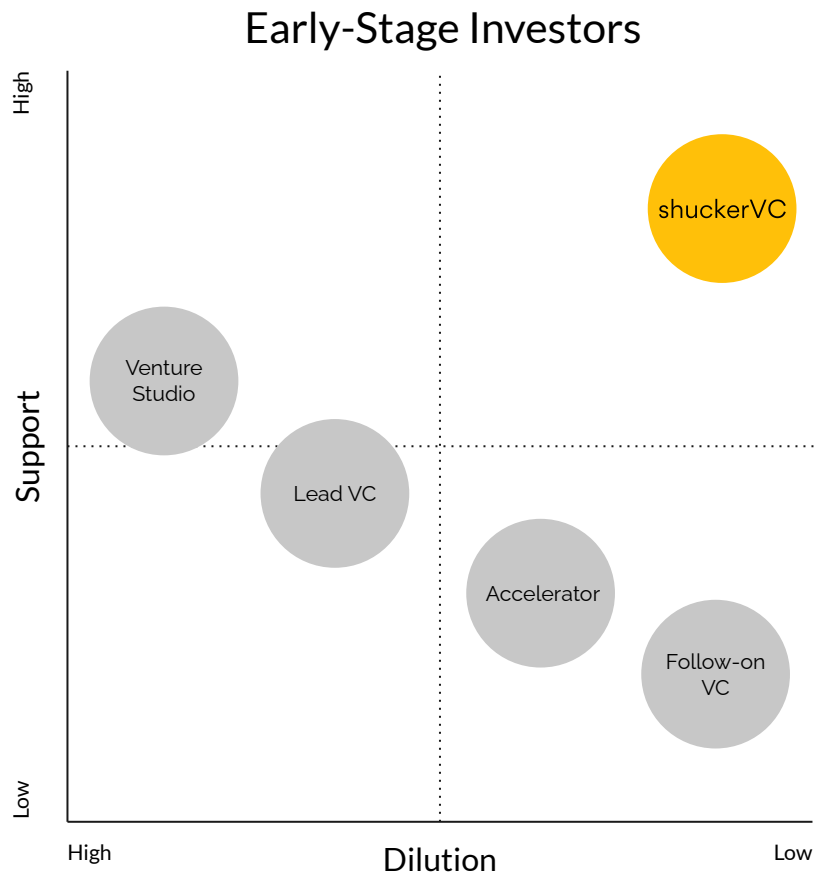

Founders focus on winning their market; portfolio company pays for Ops Team and Support Partner at cost

Value Add

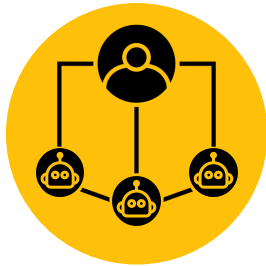

Deal Flow

Our embedded support model attracts founders and investors by delivering maximum support with minimum dilution.

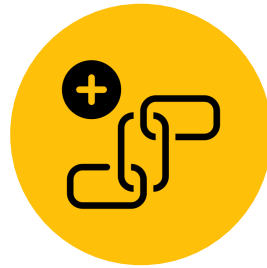

Future Value Add

Back Office^{AI}

Our Back Office will be an orchestrated ecosystem of AI tools with one subject matter expert within each functional area

Support Partner

The Support Partner will be orchestrating the tools and support the portfolio companies on special projects

Scale Exponentially

This back office automation enables founders to scale with significantly less headcount after we have our Support Partner step out

Fund Administration by Decile Partners

Virtual Associate

Coordinates back office functions with the Decile Partners team

Full-Stack Back Office

Provides legal, deal reviews, treasury, tax, reporting, and the Fund Management Portal

Compliance

Ensures that our processes and actions comply with legal regulations and duties to LPs

B2B AI Software

Backing the **best technical founders** together with the best venture capital firms.

Silicon Valley Seed Fund

Investing a **\$10 million fund** in ~20 pre-seed and seed-stage companies.

AI Founders and Investors

The Managing Partners have **20+ years** of operating and investing experience and raised over \$180M in start-ups.
