

JANNIS S.A.

Since 1965

Why is Jannis the market leader

Jannis SA **since 1965** has a long tradition of producing high-quality products. We exceed our customer needs with carefully selected **fresh ingredients**, **whole nuts** roasted in-house, and **natural fruits**.

Our products have been **awarded** in Greece and internationally. We combine healthier snacking options, with numerous benefits and incredible taste.

We have been **successfully listed** in chains of Supermarkets internationally and we currently export to 40+ countries globally.

We invest in personnel and technology, with state-of-the-art facilities and best quality standards (ISO & IFS – higher level). We source **only from the best-known locations**, during the best times of the year.

Our **100+ SKUs** can be introduced to various healthy categories such as Vegan, Gluten free, High Protein, High Fiber, 0% added sugar and much more.
