FOR YOUR GROWTH AND VISIBILITY

01

Transcreation

We create and customize highly targeted, creative marketing content for the world's most recognizable brands.

03

Terminology management

Helps to guarantee that your product and brand message is delivered consistently throughout the different types of content.

05

Copywriting

Experienced writers, but also a native speakers of the target language, our copywriters specialize in creating content for the target market, to inform and inspire using a specific brand voice.

07

Linguistic Brandname Validation

An aspect of Brand Identity services, the process of checking names of brands or products against a range of metrics for the language(s) of the target market.

09

Social media content creation

We create and translate content for all your social media channels, on-brand and on time!

02

Localization

From life sciences and engineering to audio, high tech and software, many industries produce consumer-facing content that must strike the right balance between technical accuracy and style.

04

Desktop publishing and graphics

Our graphic team takes care of all the formatting to ensure that the layout of the translated document stays true to the source format, delivering documents that are ready to be used.

06

Multilingual SEO

SEO optimization for the chosen target market goes way beyond just simple translation of keywords. With our knowledge of your target market and multilingual keyword research on local language search patterns used, we can help you reach the intended audience.

08

Transcription and Subtitling

Whether it's the latest feature film, TV show or a corporate video, we can help!

DEDICATION TO EXCELLENCE

- ✓ ISO 17100 Certified
- ✓ A full range of translation-aiding CAT tools, sector specific glossaries, terminology databases etc.
- ✓ Use of client-specific terminology databases and standardized language
- ✓ Maximum data security through dedicated tools
- ✓ Strict Quality Assurance process we abide by
- ✓ Dedicated project managers
- ✓ Professional translation ethics
- ✓ Ensuring information confidentiality, integrity and availability entrusted by the interested parties for client utilization
- ✓ We are well-accustomed to tight deadlines but we never compromise on quality. We make sure our linguists have enough time to express their thoughts and make use of their creative thinking.

EXQUISITE LINGUISTIC TEAMS

Native speakers

We use only native speakers of the target language for each individual project. Your translations are automatically assigned to the most relevant translators, with the ongoing supervision of our project managers.

Specialized

We use only language experts with relevant degrees and long-proven experience in their field of specialization.

SEO experts

Our SEO experts have the know-how to make multilingual SEO optimization goals happen - whether it is improved rankings in search engines or visibility across the markets.
