Who We Are

Indigenous International Trading Group of Canada (IITGC) is a verified Indigenous-owned business, proudly listed with:

- Canadian Council for Aboriginal Business (CCAB)
- Canadian Aboriginal and Minority Supplier Council (CAMSC)
- Indigenous Services Canada's Indigenous Business Directory

Based in Regina, Saskatchewan, IITGC connects Canadian clients with trusted global manufacturers. We provide transparent, end-to-end sourcing and delivery solutions — with a proven track record successfully serving a long list of public and private institutions across Canada.

What We Do

We supply a wide range of industrial, commercial, and institutional products through global sourcing and strategic partnerships:

- Mining & Energy: Processing systems, engineered components, specialty equipment, transformers, cables, electric motors, conveyor rollers and belts
- Green Infrastructure: Solar, EV chargers
- Heavy Equipment: Machinery and attachments
- Government & Corporate Procurement: Infrastructure materials, consumable products, advanced equipment
- Construction & Industry: Construction materials, and assembly homes
