

Who we are

An European team of cancer prevention scientists headquartered in Milan, Italy.

What we are working on

We promote cancer prevention research, European cooperation and public information on effective prevention strategies.

What's the one thing we need next

We seek funding for a large European multicentre project to increase cancer screening participation in countries with low uptake.

**5 years Mission Cancer:
Stronger Through Connection**

BRUSSELS

29 SEPTEMBER – 01 OCTOBER
