

WE SOLVE YOUR IT RESOURCE SHORTAGE:

# GERMAN FIRMS MEET VIETNAMESE EXPERTISE

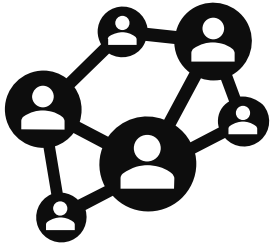

<https://it.ways2germany.com/>

**YOUR TRUSTED PARTNER FOR ALL YOUR INFORMATION  
TECHNOLOGY RESOURCING NEEDS IN VIETNAM**

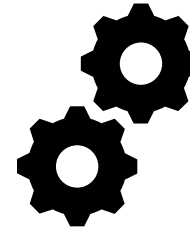

\_W2G\_

# OUR MISSION

**Connecting German firms with the best-fit IT resources in Vietnam, including:**

- Freelancers
- Dedicated teams
- IT Companies & Partners

**Equipping you with the knowledge and skills to navigate successful collaboration through:**

- Outsource-readiness assessment
- Cultural sensitivity training
- IT management guidance for globally distributed teams

# WHO WE SERVE?

## IT Firms

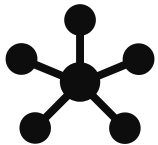

Seeking to augment your existing team or outsource entire projects.

## Non-IT Firms & Start-ups

In need of IT resources, from individual freelancers to dedicated teams.

# HOW WE WORK?

## **Share your requirements**

Briefly describe your project, specific resource needs, and desired skillsets.

## **We match you with the best fit**

Our team of experts identifies the most suitable IT providers, freelancers, or teams based on your needs.

## **Review and decide**

Carefully assess the profiles and qualifications of the identified resources.

## **Engagement options**

Choose the collaboration model that best suits your needs:

- *Project-based:* Fixed cost for clearly defined deliverables.
- *Dedicated team:* Build a dedicated development team tailored to your project.
- *Freelance engagement:* Hire freelancers on a time-and-material basis.
- *Provide pilot projects:* Conduct a trial project to assess compatibility and working style.
