GREENET in a nutshell

- Funded by Horizon Europe
- Launched in July 2022
- The **aim** is to improve the professionalisation of the CL5 NCPs across Europe, **simplifying applicants' access to Horizon Europe calls and raising the average quality of submitted proposals:**
 - Raising the general standard of support to applicants by enhancing the competences of the Cluster 5 NCPs.
 - **Raising applicants' awareness on HE funding opportunities as well as their knowledge** by the provision of a **suite of tools** to better tackle the challenges posed by the CL5 of HE.
 - **Lowering the entry barriers** for newcomers and participants from widening countries.
 - Increasing the quality and inclusiveness of international consortiums **supporting matchmaking among the CL5 applicants.**

GREENET Partner Search Tool

An online database that manages Cluster 5 networking opportunities.

The GREENET Partner Search Tool brings together organisations (Coordinators as well as partners) from across the world. This is a unique opportunity to generate new contacts and collaborate on potential Horizon Europe projects. Meetings will take place in a dedicated area and will be arranged in advance by means of this website throughout the whole year (2024).

The second purpose of the Greenet platform is online events. Stay updated with our online events by checking out the "Events" tab.
