

CONNECTING THE STARTUP ECOSYSTEMS BETWEEN **CHINA & AUSTRIA**

GLOBAL INCUBATOR NETWORK AUSTRIA

ABOUT GIN

The Global Incubator Network Austria (GIN) is **empowering startups to scale globally, connecting Austria and Asia** with a focus on selected hotspots in Asia (Hong Kong, Israel, Japan, Mainland China, Singapore and South Korea).

GIN is a program **initiated by the Austrian Federal Government** and **managed by** the main public funding agencies – the Austrian Promotional Bank (**aws**) and the Austrian Research Promotion Agency (**FFG**).

WHAT WE DO

MARKET DISCOVERY & ACCESS PROGRAM

Support Austrian startups expanding to Asia (with **GO ASIA acceleration program**) and Asian startups expanding to Austria (with **GO AUSTRIA incubation program**):

- Provide mentorship, market insights, and business connections
- Facilitate partnerships and investment opportunities
- Run programs, workshops, and pitching events (like today)
- Support startups financially (with non-refundable grant to cover travel costs, etc.)
