## CREAMIER, DREAMIER, TASTIER, OATIER.

**Our oat drink makes baristas happier. Silkier lattes, frothier flat whites and creamier cappuccinos - it's the cream of the crop.**

We're proud of our Irish roots and we're on a mission to help baristas make the tastiest coffee, so we've spent over four years formulating the most delicious oat drink for coffee lovers. With a special recipe and process that means we froth up perfectly, our oat drink steams and pours like a dream. Our cartons are made from 88% plant-based materials, so you can cream your cappuccinos and froth up your flat whites with the knowledge that you're making a friendly choice for this big rock we all love.

**INGREDIENTS:** Water, Oats (10%), Sunflower Oil, Minerals (Calcium Carbonate, Tricalcium Phosphate), Acidity Regulator (Dipotassium Phosphate), Sea Salt.
