Our Featured Collections

Harmony of Forms
and Functions

Crafted with a passion for timeless aesthetics and everyday comfort, our collections reflect a unique blend of minimalist elegance and precise craftsmanship. Every sofa is designed to elevate contemporary interiors—where clean lines, thoughtful proportions, and high-quality materials come together to create living spaces of lasting value and character.

Aita: Iconic design, premium comfort, modular options.

Xola: Contemporary lines, extreme variability, ideal for large spaces.

Lumea: Modern elegance, refined details, long-term comfort.

Sofas

Elegance and comfort for every home.

With its generous proportions and soft, sculpted lines, Xola offers both visual impact and deep comfort. Its low, grounded form creates a relaxed atmosphere, while the premium upholstery and seamless design make it a centerpiece in any modern interior.

Aita combines contemporary aesthetics with ultimate comfort. Its modular structure allows for flexible configurations, making it perfect for both intimate spaces and grand interiors. Upholstered in soft boucle fabric, it brings warmth, texture, and sophistication into any living environment.

Armchairs

Unique accessories for perfect rest.

Gaby: Ergonomic design, modern design, character piece.

Hoyo: Pampering comfort, clean lines, fits into any space.

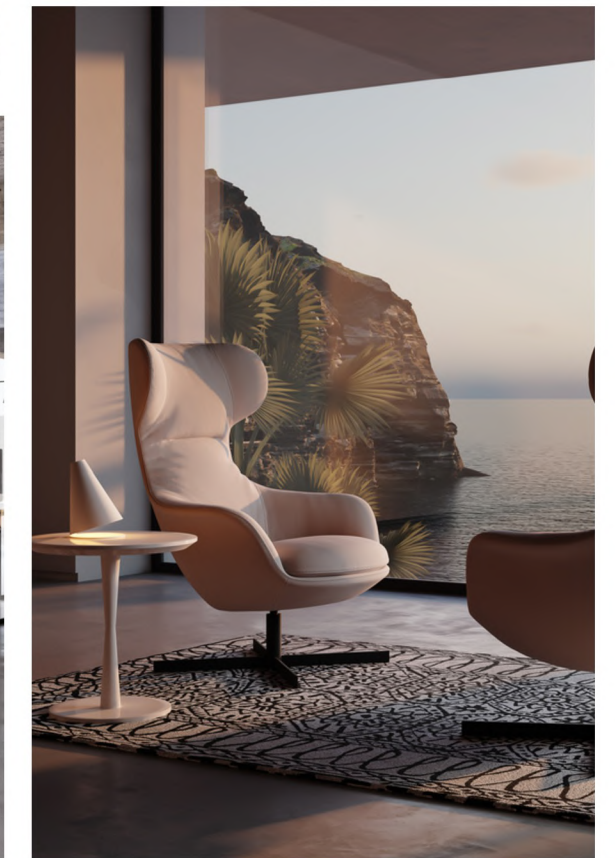

Vigo: Minimalist design, maximum seating comfort, timeless elegance.

Sofa beds

The meeting of functionality and style.

Fairy is modular sofa with a sleeping mechanism can be turned into a bed with just one simple move. Soft lines follow the basic structure, and its unique character comes from changeable armrests. All pieces are customizable, allowing you to adapt the design to your space and style.
