## Group History

Our existence and corporate strategy are consequent upon the growth of Jamub Global Services Limited, established in 2007 as our pioneer subsidiary. In a bid to serve our clients better we needed to break up to diversify and reposition and as a result we grew and bore Urban Project Prospect Integrated Services Limited, Jamub energy, JohnPaul Pharmaceutical, Jamub property, JAMUB global services, Jamub construction and SchoolMe Investment services limited. Jamub property, Jamub energy & Jamub construction. The establishment of these business units under the Jamub Group has set the stage for the next phase in our strategic plan for the next decade expansion and forward integration.

We are driven by the passion to proffer solutions and exceedingly satisfy the dynamic needs of customers. Consequently, our operating policy is predicated on excellence with emphasis on “no-compromise-on-quality” stance.

### OUR VISION

To become a key global player in product and service delivery through strategic differentiation, innovation, and value creation.

### OUR MISSION

To provide superlative services and products at levels exceeding clients expectations by employing professionalism and cutting-edge technology.

### OUR CORE VALUES

## EXPERANZA MOMOH FOUNDATION

Experanza Momoh Foundation is a Non-Governmental Organisation established to cater for the poor and the vulnerable in the society by providing them with basic needs of life. The need for the Foundation was borne out of the sheer desire by the founder to extend a helping hand to the vulnerable in society, and lift them to stand on their feet too. The main drive of the foundation is hinged on hope of ensuring that the index of poor people is reduced to the barest minimum. Therefore, Experanza Momoh Foundation becomes another contribution by the founder to flatten the poverty curve in Nigeria, and in extension, other African countries.

The high rate of poverty in Africa cannot be over emphasized, therefore, the government alone cannot be saddled with the responsibility of providing succor to everyone. For this reason, it becomes imperative to contribute in whatever measure towards helping the very vulnerable in our society to be able to experience a bit of the basic things of life. Experanza Momoh Foundation is one of the many Non-Governmental Organisations founded to contribute in their own unique ways to address this menace.
