# Real Value Added Leads to the Best Returns

## Real Value Added

We run the best back office for our portfolio companies.

## Best Deals

We back the best founders together with leading VC managers.

## Best Returns

We combine the best qualities of emerging and established managers.

## B2B AI Software

Backing the **best technical founders** together with the best venture capital firms.

## Silicon Valley Seed Fund

Investing a **\$10 million fund** in ~20 pre-seed and seed-stage companies.

## AI Founders and Investors

The Managing Partners have **20+ years** of operating and investing experience and raised over \$180M in start-ups.

shuckerVC is a \$10M Bay Area seed fund that backs AI-powered B2B software companies in the US using our experience investing in seed-stage SaaS companies, resulting in a 3.08 DPI.
