

Bavarian Biotech

shaping the future of medicine

Introducing Bio^M

BAVARIAN
BIOTECH CLUSTER
DEVELOPMENT

Bio^M - Accelerating Medical Innovation

Vision

Bavaria
the place for the medicine of the future

Mission

Bio^M creates a unique ecosystem in biotechnology & medicine to accelerate innovation, growth and value creation in Bavaria

Bio^M - Biotechnology Cluster Management in a nutshell

Non-profit organization funded by the state of Bavaria

Connecting life science players from academia to pharma since 1997

Representing Bavarian biotechnology world-wide

Attracting international investors and industrial partners

Supporting start-ups and SME

Coaching for founders

Providing incubator space especially for pre-seed activities (MAxL)

Bio^M - Gateway to the Bavarian Biotech Community

Knowledgebase & Pathfinder

- ▀ Extensive database
- ▀ Online job market
- ▀ Labfinder & provider
- ▀ Consulting

Networking

- ▀ In touch with bavarian companies & biotech community
- ▀ Connection to world renown experts
- ▀ Facilitating exchange between industry, academia, clinics and politicians

Bio^M - Gateway to the Bavarian Biotech Community

News & Information

- Annual Biotech Report
- Newsletter
- Daily coverage via online channels
- Press conference, podcasts, etc.

Marketing

- Bio^M advertising platforms
- Representation at exhibitions and conferences
- Individual packages

Bio^M - Gateway to the Bavarian Biotech Community

Events

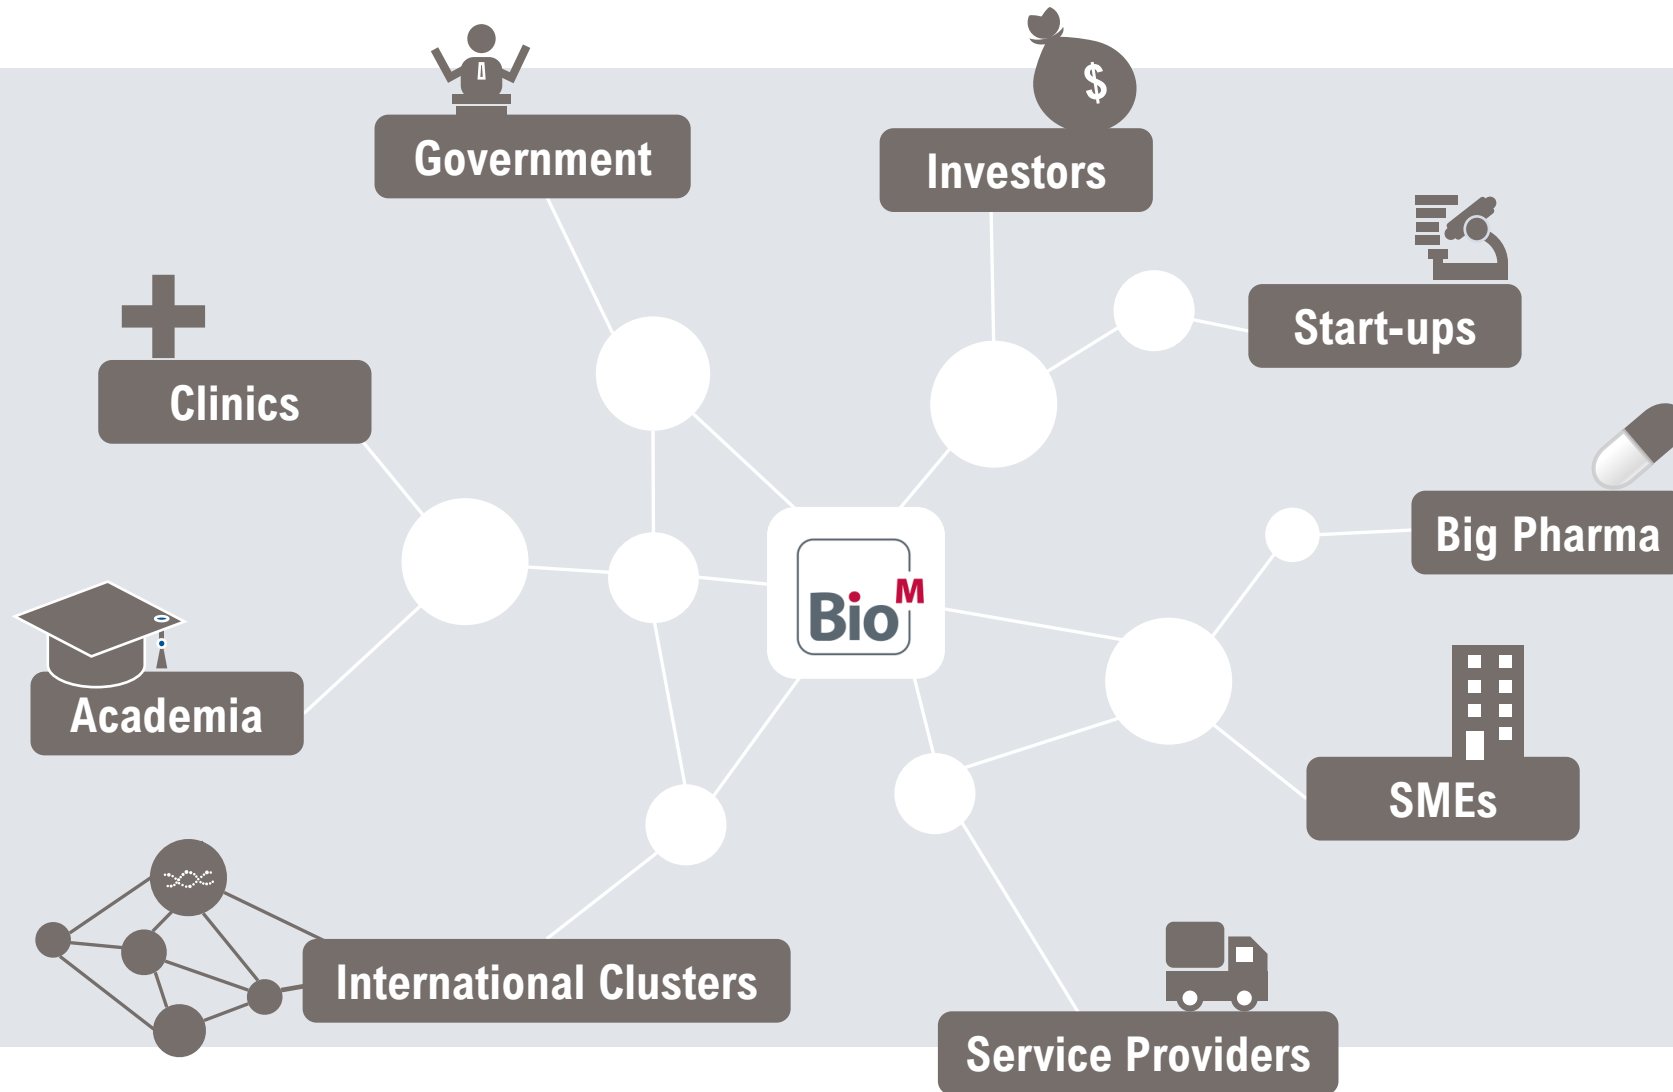

- BayOConnect Forum for Biotech & LifeScience
- Lunchtalks
- Your Event hosted in our headquarter
- Bio^M Dinner

Professional Networking

- Roundtables and networking events
- Career days
- (International) Delegations
- Pharma days

Bio^M - Connecting all players

Bavaria's Framework – Accelerating Innovation

Incubators, Accelerators, Business support

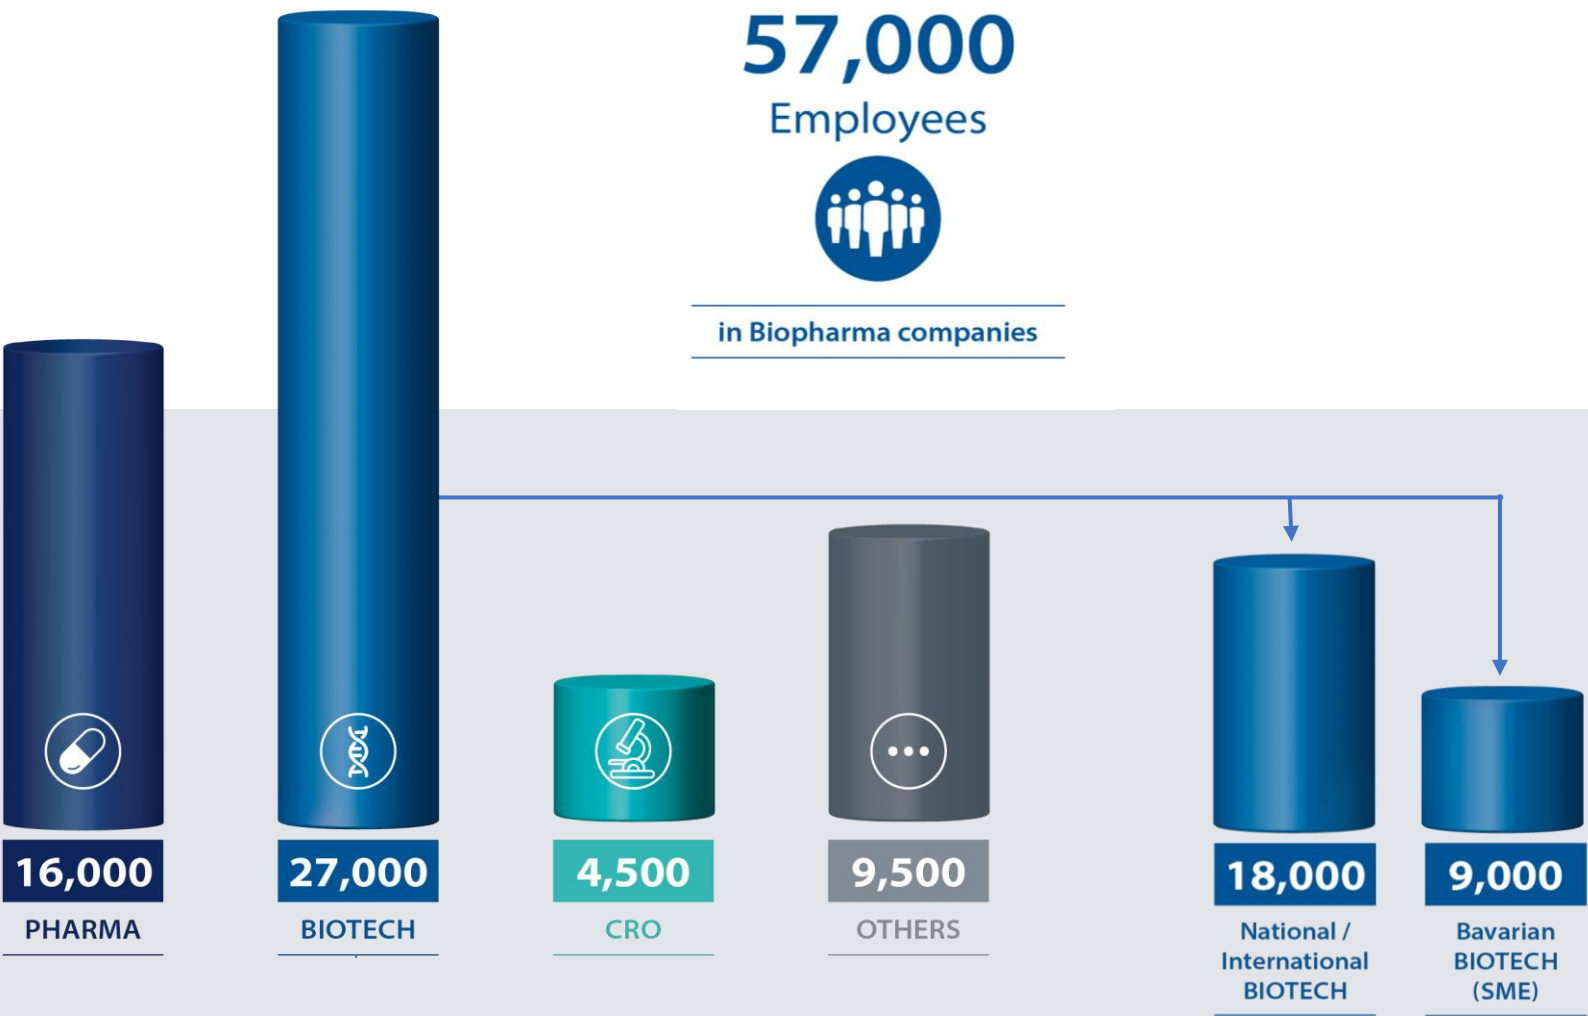

Academia, Research, Clinics

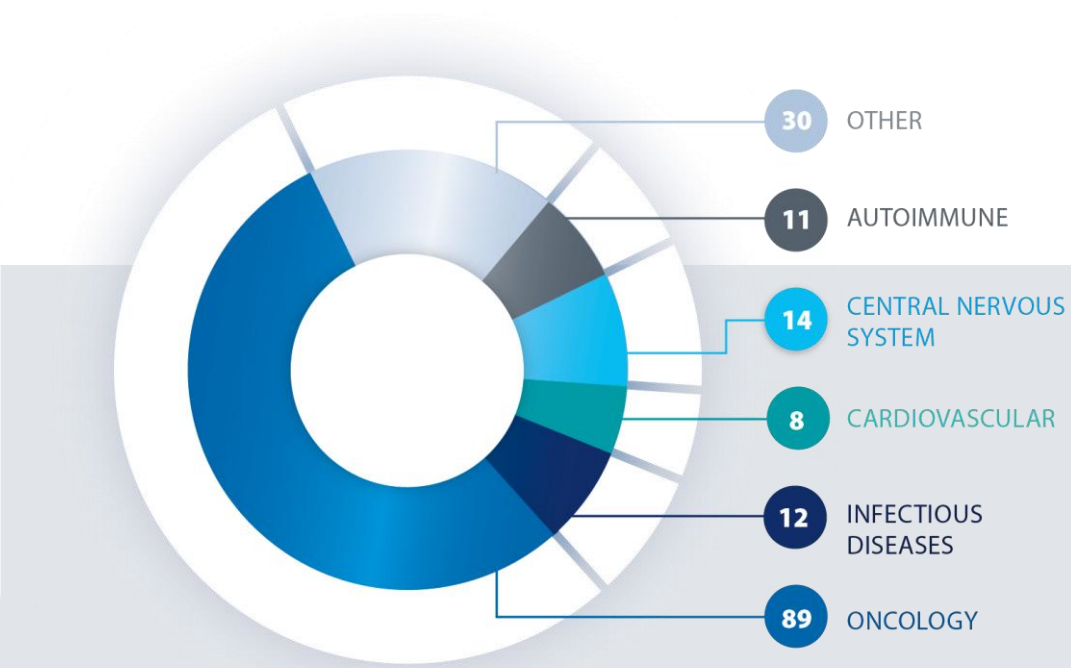

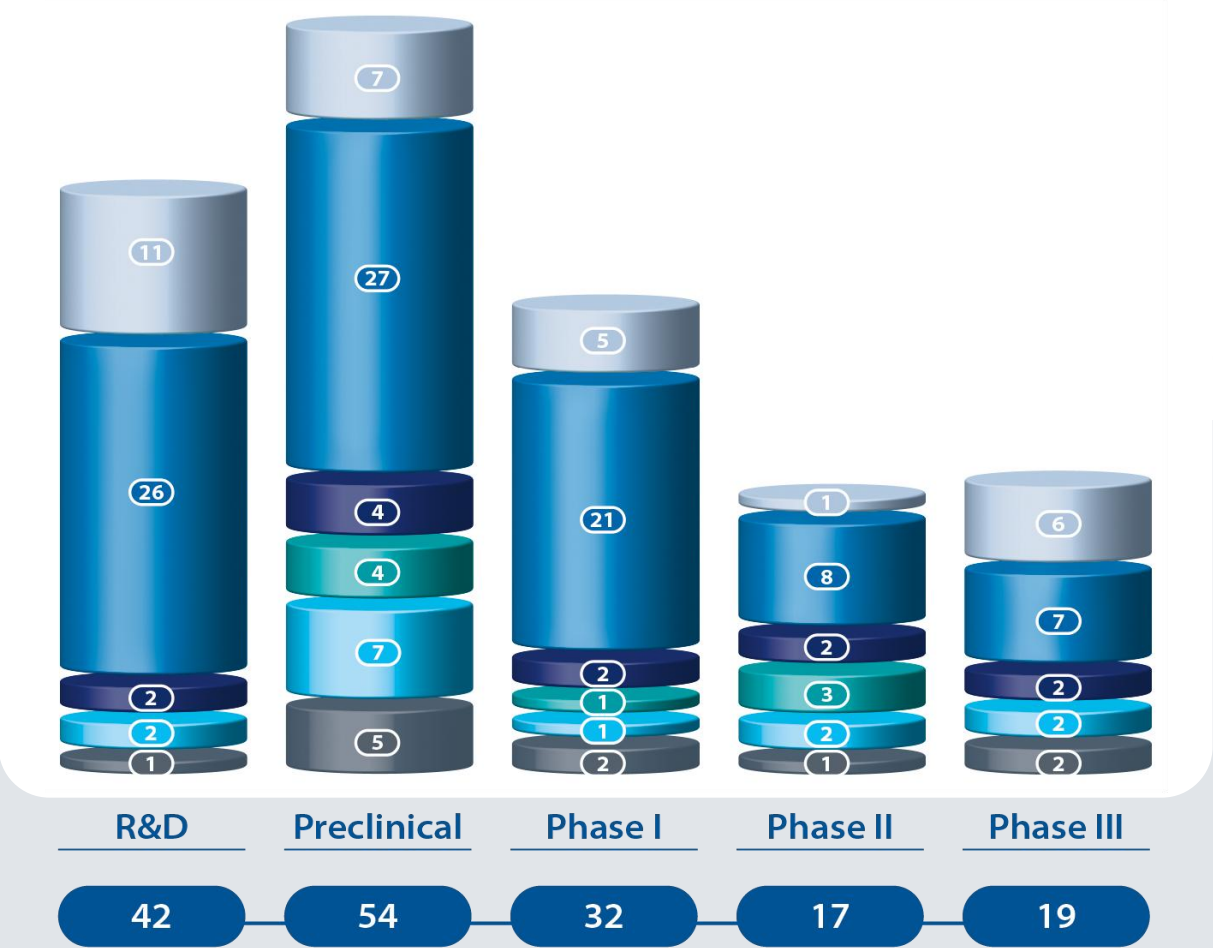

Bavarian Biopharma Sector - Companies

Bavarian Biopharma Sector - Workforce

Drug Pipeline of Bavarian Biotech SMEs

Bio^M for BioEntrepreneurs - from idea to success

Start-Up Coaching

100+ sessions per year

Mentor Circle

80+ mentors

Pitch Training

2 trainings per year

BioEntrepreneur Bootcamp

90 teams since 2011

BioAngels Investors Network

300+ contacts

m⁴ Award

32 projects, 17 spin-offs

Munich Accelerator Life Sciences & Medicine – MxL

Munich Accelerator Life Sciences & Medicine: MAxL

Startup incubator for the future of medicine and life sciences

Exclusive high-end infrastructure

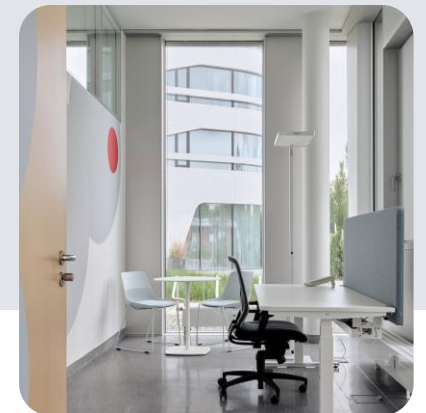

Education, events, community

Structured incubation process

Best of breed pre-seed / early startup teams

Partnerships with pharma, biotech, deeptech and other industry players and strategic partners, CROs and investors

Public-private financing model
(2023-2027: 8.5 Mio. EUR from StMWi)

9 other centers and faculties

Clinic of University of Munich in Großhadern, LMU*

Biomedical center of the LMU*

Innovation and Start-up Center Biotechnology
