

Le Dessert di Pà[®]

Easy, Quick and of High Quality

Dessert di Pà is a **new range of spoon desserts**, made with high quality natural products following traditional recipes, ready to be enjoyed. The range includes the most classic and beloved desserts of all time: the timeless **chocolate budino** that is popular with everyone, recalling childhood memories and afternoon snacks, to be enjoyed on any occasion; the sophisticated **crème caramel**, dating back to ancient Roman times, with its delicate and elegant appearance; the aristocratic Piedmontese panna cotta, velvety and versatile with its countless interpretations; the refined **Catalan cream**, a delicate egg custard balanced by flavour and aromas; the traditional **mascarpone cream**, suitable for preparing a quick tiramisù, one of the best-loved desserts in Italian cuisine; the **coffee budino** debutant, with its unmistakable aroma, perfect to enjoy at the end of a meal.

The Novelty

The novelty and feature of the range of desserts (chocolate budino, panna cotta and crème caramel) is that **as soon as you open the packet and place the dessert on a serving dish, it is ready to go. A perfect result without any additions or preparation**: this product characteristic significantly reduces serving time, offering a selection of quality desserts on the restaurant menu that are both easy to serve and ready to be enjoyed.
