

# Belorganic

**Back to Nature**

Premium functional beverages inspired by nature for B2B, HORECA, wellness, and retail

# Rooted in Nature, Designed for Wellness

## Our Story

Belorganic was founded in Austria in 2014 by **Natalia Schindler**, inspired by a childhood tradition of collecting birch sap and wild berries.

## Our Mission

Our mission is to create valuable, affordable, functional drinks designed by nature, helping people stay strong, healthy, and energized.

# Awards and Recognition
