4 REASONS

to choose Open Group Italia

1

Integrated expertise

Our team boasts cross-functional skills that allow clients to interact with a **single point of contact**. This enables the management of diverse needs with a comprehensive 360° vision.

2

Method

All our activities are organised according to a method that ensures reliable development. We focus on practicality and concreteness, **without false promises or unworkable theories**.

3

Strategic development & Future orientation

We work alongside companies to build the **ideal strategy** that keeps them ready for change. We believe in **sustainable business development**: financial, social, and environmental.

4

Tailored approach

Every company is unique and one of a kind. **We don't believe in standardisation** — we value the exclusivity of each project, designing a strategy tailored to the specific business reality.

Certifications & recognitions

MIMIT | Register of tax credit certifiers

We are certified professionals registered in the MIMIT Register for Research & Development. This recognition confirms our expertise and professionalism in the fields of research, development, and innovation. Our registration in the Register—managed by the Italian Ministry of Enterprises and Made in Italy (MIMIT)—attests to our ability to deliver high-quality services in technological research and development.

TOP.ESG Consultants Guide 2024

We are featured in the TOP.ESG Consultants 2024 Guide, published by ET.Group, a key reference for companies seeking to understand and address sustainability challenges. We are proud of this recognition, which highlights the excellence of our sustainability expertise and places us among organisations working toward a sustainable future.

UNI/PDR125:2022 Gender Equality

We are certified according to UNI/PdR 125:2022 for Gender Equality, a prestigious acknowledgment demonstrating our concrete commitment to promoting gender equality within our organisation. This certification reflects our dedication to creating an inclusive and respectful work environment, where everyone has equal opportunities for growth and professional development.

ISO 9001:2015 Certification

ISO 9001:2015 certification recognises our commitment to maintaining high quality standards across all business processes—from management consulting to tailored training services. This confirms our dedication to continuous organisational improvement, transparency, and results-oriented performance.

OPEN ES

We are authorised Open-es providers, a collaborative platform promoting sustainability across global supply chains. Our role as Open-es providers reflects our commitment to delivering innovative and sustainable solutions for companies aiming to enhance their environmental, social, and governance (ESG) performance.

UN Global Compact

We adhere to the United Nations Global Compact, a worldwide initiative promoting sustainable and inclusive development.

Partner of Torino Social Impact

A network promoting innovation and social impact.
