Product Catalog

Product Range

Burgus Vitae product range includes 3 lines:

Wines

1. Red - Montepulciano d'Abruzzo DOC
2. Red - Montepulciano
3. Rose' - Cerasuolo d'Abruzzo DOC
4. White - Trebbiano d'Abruzzo DOC

Extra virgin olive oil

1. Blend
2. Monocultivar "Gentile"
3. Nutraceutico

Grape-derived products

1. Mosto Cotto (Cooked Must)
2. Grape jam
3. Grape Juice

Red - Montepulciano d'Abruzzo DOC

The most famous wine from Abruzzo in the world. It has an intense ruby red colour and a bouquet of ripe fruit, particularly morello cherries. Well-balanced with good structure and freshness. The nose is refined, spicy and balsamic. Velvety tannins.

This is an elegant wine, excellent paired with cheese and red meat. Perfect for enjoying at the table with friends.

- Vintage 2021
- Hand-harvest
- Soft pressing of the grapes, followed by extended maceration for at least 20 days in small stainless steel vats
- Temperature-controlled fermentation

 Formati disponibili: bottiglia 750ml  Spedizione in tutto il mondo

Extra Virgin Olive Oil

Blend

Extra virgin olive oil obtained from a selection of olive varieties, including both native cultivars from the Abruzzo region and nationally grown varieties.

A blend with a delicate, pleasantly smooth flavor on the palate. Lightly fruity, it preserves the full freshness of the olives.

Recommended for both raw use and cooking, it is well suited to a wide range of culinary applications. Excellent on roasted meat and fish.

- Manual harvesting
- Stone first cold press
- Filtered

Available formats: 0.25lt and 0.5lt bottles, 5lt, 3lt and 1lt cans

Extra Virgin Olive Oil

Monocultivar "Gentile"

Produced exclusively from olives of the Gentile di Chieti variety. This is a late-ripening cultivar, with drupes ranging in color from green to violet.

The oil, green in color, features a medium-intensity fruitiness. On the palate, it offers notes of fresh grass and artichoke, with a delicate mouthfeel. Elegant, with a well-balanced harmony of bitterness and pungency.

Recommended for raw use on cheeses, soups, and vegetables.

- Manual harvesting
- Stone first cold press
- Filtered

Grape-derived products

Mosto Cotto (Cooked Must)

Made entirely and exclusively from Montepulciano grapes. It is a natural syrup obtained by slowly boiling down fresh grape must. From 100 liters of grape must, 20 liters of cooked must are produced.

A traditional product of the Abruzzo region, used both in desserts and as a topping for ice cream. Recommended with both fresh and aged cheeses. Excellent as a dressing for salads.

No sugars, thickeners, or preservatives are added

Available formats: 0.25lt bottle

Available for shipment worldwide  Produced in Italy

Grape-derived products

Grape Jam

Made entirely and exclusively from Montepulciano grapes. This variety, typical of the Abruzzo region, is a black grape, very rich in polyphenols and resveratrol, with a slightly tannic taste.

Cooked at low temperature and under pressure, it preserves all the freshness of the grapes.

It is the traditional jam of the Abruzzo region, also used for tarts and typical desserts.

No sugars, thickeners, or preservatives are added.

 Available formats: 220 gr jar

 Available for shipment worldwide  Produced in Italy

Grape-derived products

Grape Juice

It is an extract made exclusively from 100% montepulciano grapes.

A very healthy product, as it is rich in polyphenols.

Grape juice is highly energizing due to its high potassium and iron content.

If it appears too dense, it is recommended to dilute it with water.

No filtered.

No sugars, thickeners, or preservatives are added.

 Available formats: 0.2 lt and 0.75 lt bottles.

 Available for shipment worldwide  Produced in Italy
