AVATARIS

TECHNOLOGY IS MODERN MAGIC

AI AGENT SOLUTIONS

AI agents handle most digital tasks — with the right setup, you achieve:

100× Speed
100× more efficient than human employees who need training, holidays, breaks, weekends, and can't work 24/7.

2× Quality
2× better quality with higher accuracy, almost no mistakes, IQ >160, with internet-level knowledge in seconds.

10% Cost
Reduces costs by at least 90%, operating at under 2 euros/dollars per hour (or just cents if self-hosted).

USES CASES

AI Agent Roles:

- Company Face on Webpage (FAQ)
- Order Taking, Registration, Booking
- Client Support & Technical Support

- Contract Analysis & Document Review
- Personal Assistant (Calendar, Mails, Tasks)
- Customer Sentiment & Review Analyzer
- Smart City & Traffic Control Agent
- Energy & Sustainability Optimizer

02

WITHOUT AI

Inefficiency

Manual tasks slow down processes, increase errors, and wasted resources.

Poor Decision-Making

Without AI tools to analyze large datasets, companies struggle to extract meaningful insights, leading to missed opportunities.

Competitive Disadvantage

Companies without AI fall behind competitors who innovate faster. This results in lost market share and reduced customer satisfaction.
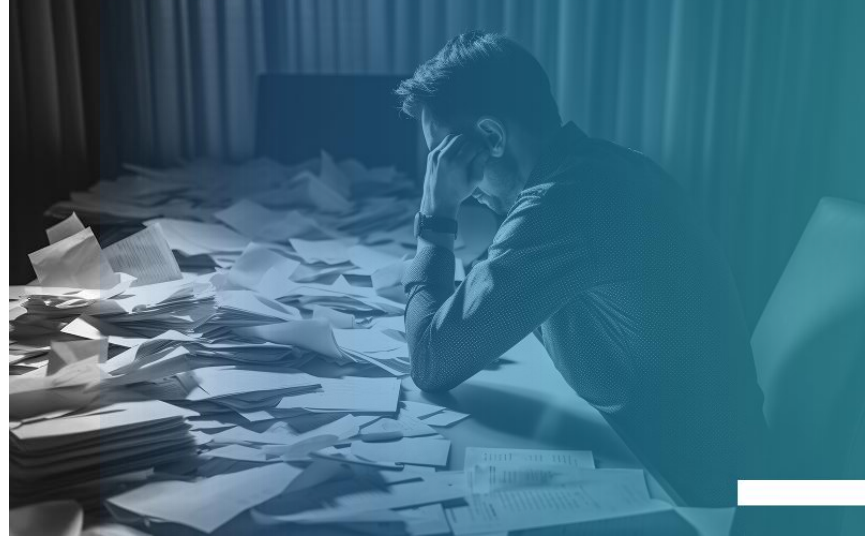

MAXIMIZE CLIENT & EMPLOYEE HAPPINESS

01

Unique AI Agents with Digital Body
Tailored to your target audience for visual appeal and intuitive interaction. Builds personal, near-human connections for better user acceptance.

02

Unlock Full AI Potential

HAPPY CLIENT

AVATARIS AI AGENTS

"Our globally unique AI agents with a digital body maximize the satisfaction of your customers and employees – and enable you to unlock the full potential of AI!"
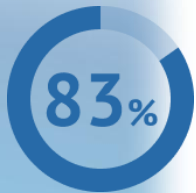

IT'S ALL ABOUT EMOTIONS

EVEN THE BEST AI IS WORTH NOTHING WITHOUT ENGAGING & EASY TO INTERACT DIGITAL HUMANS — IF IT'S SIMPLE NOT USED BY YOUR CLIENTS OR TEAM!

Users decide within seconds, driven purely by emotions, whether to try an AI tool or still turn to human support. The more attractive, engaging and easy a tool is, the more it will be used - and the greater the cost savings AI can achieve for your company!
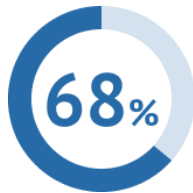

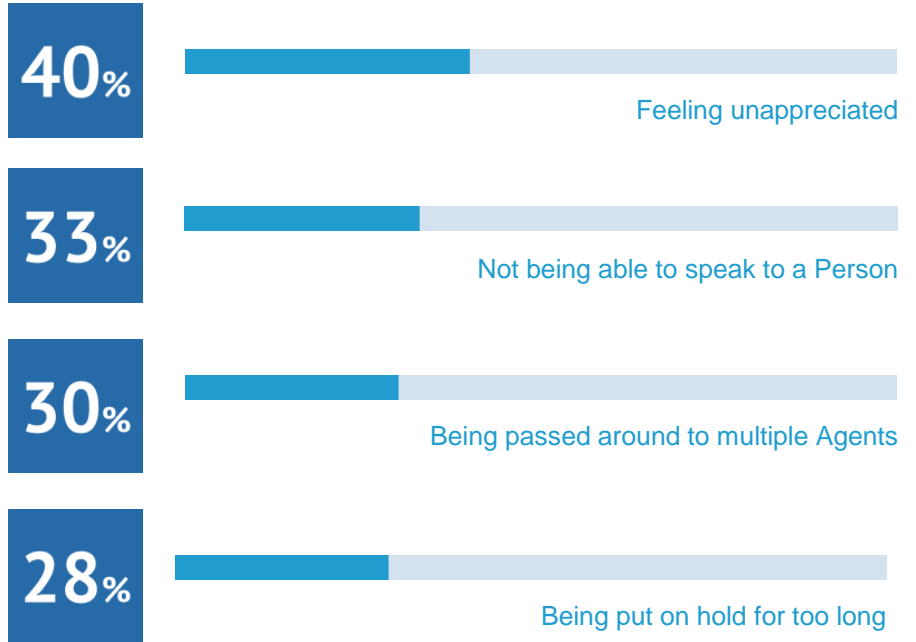

YOUR VALUE in e.g. CLIENT SUPPORT:

52% OF CLIENTS ARE LOST DUE TO BAD SERVICE EVERY YEAR !

**83%** might not have left with live or in-person client service

68% will not go back after leaving

40% ▬▬▬▬
Feeling unappreciated

33% ▬▬▬
Not being able to speak to a Person

30% ▬▬▬
Being passed around to multiple Agents

28% ▬▬▬
Being put on hold for too long

OUR DIGITAL HUMANS SOLVE THOSE PROBLEMS!
