

Keibell: Revolutionizing Hotel automation

Keibell is transforming the hotel industry by automating operational processes, optimizing management, and improving profitability.

100%

Front Desk Automation

We fully automate the front desk operations.

40K+

Hotels in Spain and Portugal

An immense opportunity in a market in need of digitalization.

We are seeking investors to accelerate the digitalization of the hotel sector, expand into the Portuguese market, and integrate new key platforms within the industry.
