

Create your impact

npk design is a strong partner in the design and realisation of extremely diverse products and product-service combinations for the brand and market of its clients. With our expertise we are able to assist our clients throughout the entire innovation process: from identifying and visualising real opportunities, to designing integrated design solutions and guidance towards market introduction.

For over 40 years we have had the privilege to collaborate with companies and people from all over the world. We create innovations for both multinationals and clever startup companies. We use our knowledge of processes and materials to develop products and services with a long stylistic and technological life span. Our most successful results have experienced appraisal and success throughout the world, while having won numerous design awards.

Feel free to contact us and explore our match.
