The 25th Bio€quity Europe: Join BioCentury & EBD in Bruges

For 25 years, Bio€quity Europe has been where CEOs and investors gather to network, partner, and debate critical issues facing the biopharma industry.

In 2025, Bio€quity Europe visits Bruges, Belgium* to celebrate its 25th year.

Join BioCentury, EBD Group, and the Belgium Regional Host Committee at this destination event for biopharma decision-makers.

Why sponsor?

- **Deliver thought leadership:** Share your insights with biopharma CEOs, investors & decision-makers.
- **Elevate your brand:** Bio€quity Europe provides sponsors with global visibility and positions you as a key player in the European ecosystem.

May 12-14, 2025:
Bruges, Belgium

Gain continuing exposure by promoting your logo on the official lanyard of the conference

Benefits include:

Logo placement on all lanyards; exclusive branding as our lanyard sponsor on our website. Limited to one sponsor.

Add a Podcast to Your Sponsorship Package?

Extend your thought leadership before or after Bio€quity to BioCentury's C-level network. From running a company to running a 5K, biotech decision-makers are always on-the-go, making BioCentury podcasts the right channels to share your insights.

Monthly Sponsorship - \$20,000 *(when bundled with your Bio€quity sponsorship)*

Includes one special episode featuring a VIP from your team

- **BioCentury This Week podcast (5 episodes)**
9,000+ downloads per month
- **The BioCentury Show podcast (3 episodes)**
Premium content in audio and video format

The "BioCentury This Week" podcast delivers insights on biopharma trends and hot topics. Sponsor and join a special episode of the podcast to reach busy decision-makers, who are always on the go.

Join BioCentury and special guests for a twice-monthly conversation on turning science into medicine -- from financing to R&D to public policy. Watch on YouTube, listen as a podcast, join the Show as a sponsor guest.

BioCentury podcast is the one I never miss during my trail running sessions. The best way to remain tuned to the biotech industry while on the run. I am a big fan.

Dani Bach, Ph.D.
Partner, +ND Capital

"Bio€quity Europe is a 'must go' for both VCs and CEOs of life science companies in Europe ... it is the event where you can feel the pulse of the industry ..."

Antoine Papiernik
Chairman & Managing Partner
Sofinnova Partners

"Bio€quity brings together top stakeholders in the life sciences European VC space. The event stands out by delivering quality thought leadership. For the biotech VC community, this is Europe's flagship event."

Nanna Lüneborg, Ph.D.
General Partner
Forbion

"Bio€quity is the leading event for the biotech industry in Europe.... It brings all actors together and creates an atmosphere and platform for true networking and business development."

Jorge Santos da Silva, Ph.D.
CEO
MoonLake Immunotherapeutics

"Bio€quity Europe is a great meeting for strategic discussions about access to capital and talent. It's also a key networking event for investors and biopharma executives in Europe."

Paul Peter Tak, M.D., Ph.D.
President & CEO
Candel Therapeutics

"Bio€quity is the premier life sciences forum in Europe connecting industry leaders, emerging life science companies, and members of the investment community. The content it delivers is unmatched and makes it a priority event for any decision maker in our industry."
