

2016-2022 STATISTICS ON CO-FINANCED PROMOTION PROGRAMMES

The information in this factsheet presents various statistics for projects on promotion of agricultural products funded in the period of 2016-2022. Campaigns are run by eligible applicants, as described in the legal base under the promotion policy, and are co-financed by the EU. For more information we invite you to consult the [Campaigns map](#).
