

Autumn Treasures in Abruzzo and Molise

Seven day in the heart of the most authentic Italy, where hands touch the soil, the wine is freshly fermented, and the green olive oil smells of grass.

With this journey, you'll take center stage in the grape and olive harvest, surrounded by farm stays, wineries, olive mills, and medieval villages. We'll guide you through some of the most enchanting places and invite you to taste our specialties right where they're made: fish *brodetto*, *arrosticini* skewers, truffles, Agnone's *caciocavallo* cheese, Sulmona's sugared almonds, Castelfrentano's *bocconotti*, and the *Sise delle Monache* from Guardiagrele... And above all, our olive oil and wine, justly renowned around the world.
