**Manage, structure and sell
your materials faster**

Are you managing and sharing your material data like this?

Material data management is inefficient

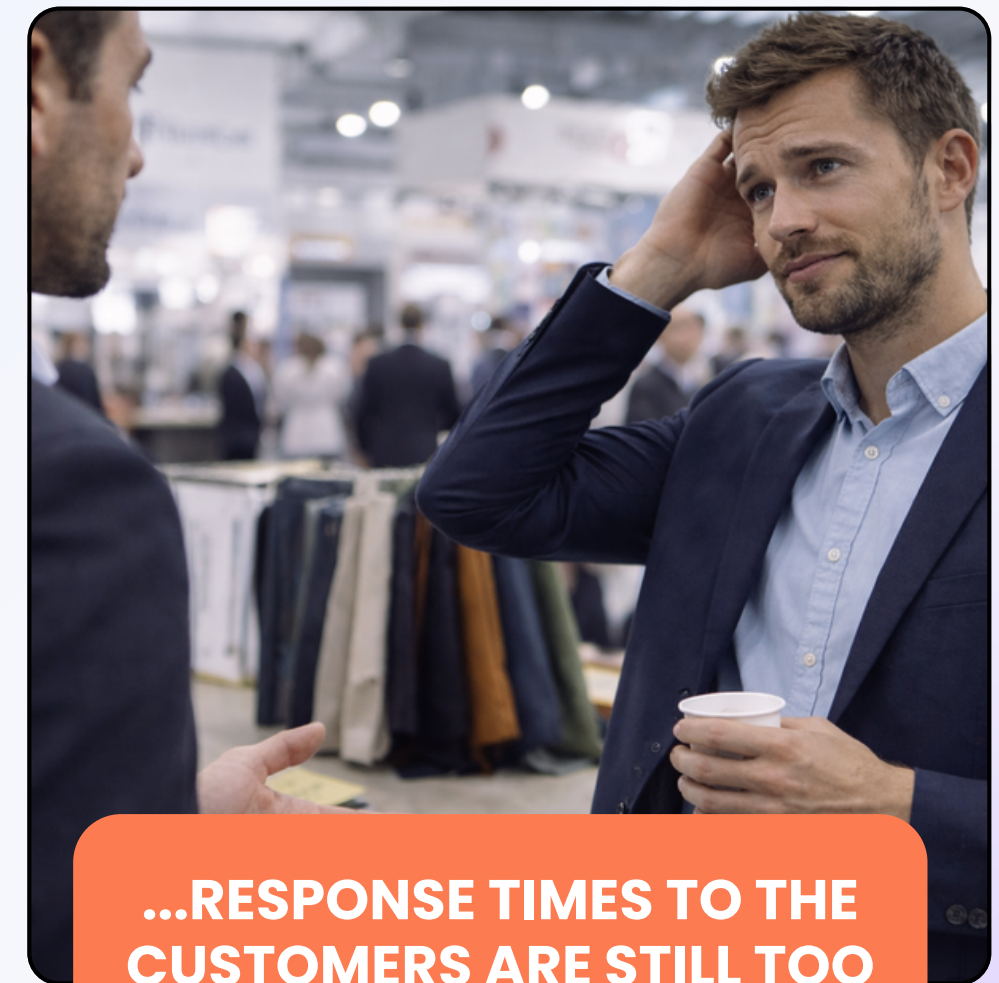

You've already tried to better organize your workspace. And yet...

**...THE DOCUMENTS ARE ALL
SCATTERED AMONG FILES
AND FOLDERS**

**... TIME IS WASTED FILLING
MANUAL DATA SHEETS IN
DIFFERENT FORMATS**

**...RESPONSE TIMES TO THE
CUSTOMERS ARE STILL TOO
LONG**

DAMō Studio is the solution to...

**...reduce
material data
management
cost**

**...keep your sales
team aligned on
your latest
offering**

**...improve
customer
response and
service level**

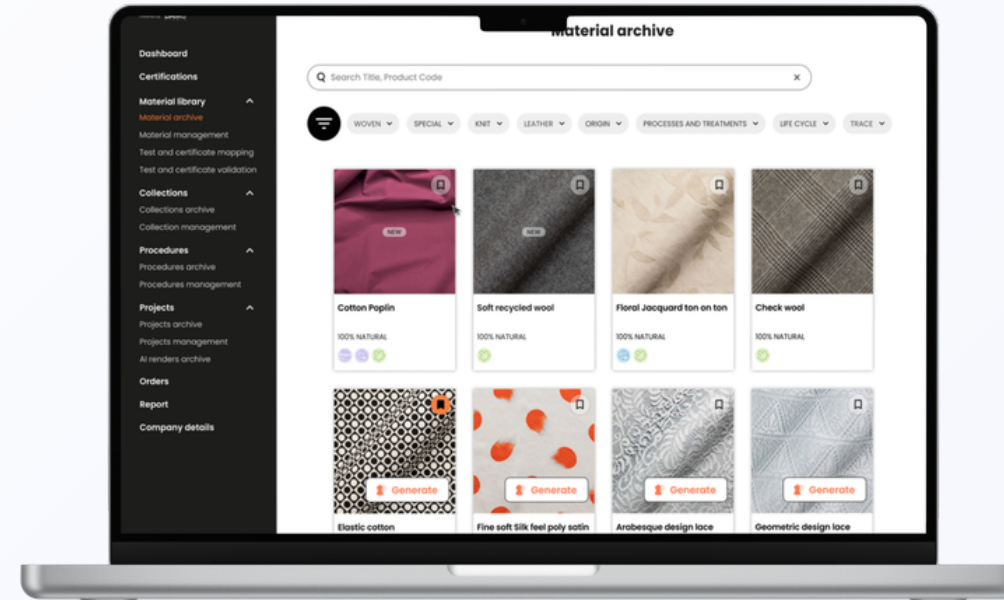

From scattered files to a certified library
