

## **Kosova Global Talent Center – LMS & Educational Resources**

### **About Us:**

Kosova Global Talent Center (KGTC) is an educational organization dedicated to empowering youth through innovative learning programs. We provide courses in languages, coding, and talent development, preparing students for international Olympiads and future careers in technology.

### **Our LMS Platform:**

KGTC offers a Learning Management System (LMS) designed for interactive online learning, course management, and student progress tracking. The platform supports:

- Uploading and managing courses
- Interactive lessons and quizzes
- Tracking student progress
- Assignments and feedback
- Collaboration between teachers and students

### **Collaboration Opportunities:**

We invite schools, educational institutions, and partners to use our LMS platform for:

- Implementing digital education programs
- Organizing joint courses and workshops
- Enhancing student engagement in coding, languages, and talent competitions
- Sharing resources and best practices in education
