TASTING COMMENTS

«This white wine has a beautiful golden color. On the nose an intense expression of citrus and floral notes are perceived. The mouth is soft, light, pleasant. The freshness of this wine reinforces the general aromatics of the product. Best consumed fresh.»

- **Winemaker's commentary** -

VINIFICATION

- Mechanical harvesting
- Direct pressing
- Nitrogen inerting
- Alcoholic fermentation at low temperature
- Filtration with a tangential filter
- Bottling

FOOD PAIRING

The French White will deliciously accompany your dinner aperitifs. It will also go perfectly with cold starters like mixed salads or with dishes like white fish fillets.

Open the wine :
Just before tasting

Ideal temperature :
5 and 7 degrees
